Timeline - MAKE submission process

20th of June 2022

Until the 20th of June – preparing your MAKE submission:

There are **three documents** due to the 20th of June (deadline at midnight):

1. The latest MAKE proposal in attachment
2. A 3min video summarizing key elements of this submission form (the content expected for this video is detailed in the submission form)
3. The activity report of the academic year 2021-22, following the provided template in attachment (only for continuing projects)

The MAKE coordinator is of course available to help you in preparing these documents.

Between the 20th of June and the 12th of July – preparing the MAKE committee:

The coordinator of MAKE projects might have a few clarification questions in preparing the committee.

12th of July 2022

On the 12th of July – the MAKE committee meets in the afternoon

In order to defend the project in front of the MAKE committee, it will be asked to have maximum four representatives of each projects available by zoom for a 15min Q&A session (in English or French depending on your preference) between 13h to 16h.

13th of July 2022

After the 12th of July – feedbacks from the committee

You will be contacted by phone the day after the committee to get a first feedback. The official EPFL letter with more details regarding the decisions of the committee will come in the following 4-6 weeks

September 2022 - Project starts
