

# Report concerning examination held during an examination session

LEX 2.6.2

Not for Master thesis

Examination:	
Date:	
Teacher(s) concerned:	
Observer for oral examination:	
Duration of oral examination per student:	
Section(s):	
Number of students enrolled:	
Number of students present:	
Number of monitors present for a written examination:	
Room(s):	

The undersigned certifies/certify that the examination has been conducted in accordance with the Internal directives concerning examinations at EPFL, and particularly that:

1. The teacher and, for an oral examination, the observer, was/were present to ensure that the examination was conducted correctly
2. The identity of all candidates was checked

And for written examinations only:

3. The confidentiality of the question paper was guaranteed by the teacher responsible
4. The place of each candidate was pre-allocated; the teacher had checked beforehand that the room(s) provided sufficient space
5. Any candidates who left the examination room did not return or, in exceptional cases, were readmitted with the appropriate measures being taken to avoid cheating
6. During the examination, candidates had access only to those notes and texts explicitly approved by the teacher prior to the examination. Any electronic devices used by candidates were checked and accepted by the teacher

Remarks concerning the examination:

Teacher

Observer (oral examination)

Place, date: .....

**This report must be sent to the section responsible for the teaching. For written examinations, please attach the examination question as well as the corresponding answers and marking scheme.**
