

# Where to put waste at EPFL?

# At the EcoPoint

## OTHER WASTE

NOT ALLOWED

## PAPER

NOT ALLOWED

Be careful, cups and pizza boxes go into the "Other waste" container because their contamination prevents them from being recycled.

At EPFL, the management of common waste is done at the EcoPoint. This is a centralized collection point whose objective is to recover recyclable materials and reduce the volume of waste incinerated.

Everyone is responsible for bringing the waste shown here to the EcoPoint. This replaces the individual bin.

## PET BOTTLES

NOT ALLOWED

Be careful, the PET container only holds PET bottles!

## ALUMINUM CANS

NOT ALLOWED

## GLASS

NOT ALLOWED

## At the local waste disposal centre

These 3 types of waste are to be brought to the local waste disposal centre. Check with the janitor of your building to locate it.

## CARDBOARD

NOT ALLOWED  
Soiled cardboard  
Pizza boxes • Paper  
Cardboard cups  
Paper tissues • EPS

## INKS AND TONERS

NOT ALLOWED  
Volatile inks and toners (open container)

## COFFEE OR TEA CAPSULES

OTHER WASTE

The main waste collection centre under the Esplanade collects more than 30 materials for recycling.
