

ART & NATURE CAMPS

AUTUMN 2022

We are offering children 2 weeks mixing observations and creativity to discover nature and be inspired by it for artistic and creative activities.

Several **immersive outings** to the forest and the lake are planned. They will be accompanied by many creative, artistic, imaginary and playful activities inside. A picnic will be held during the week for a full day outdoors.

A quiet time takes place after lunch, with a story, a massage workshop and relaxation. Your children can bring books or material (cuddly toy, pillow, blanket).

Example of activities (according to the interests and desires of the children):

Outings, games and explorations in the forest, at the forest sofa, at the lake and at the mini-farm in Bassenge (public transport and walks)

Mythological tales

Discoveries and knowledge about nature and animals

Drawing, painting, clay, paper constructions, land art

Dance and movement

Cooperative games

ART & NATURE CAMPS

AUTUMN 2022

Fire - Earth - Metal - Water - Air

Week 1 from October 17 to 21

Animated by Mélanie and Petra accompanied by a team of interns.

During this week, we will discover the five elements in order to learn about the world around us and the natural forces of the elements that animate it.

Each day of the week, we will discover an element and we will have fun doing little experiments to better understand them.

An outing to the Bassenges farm will take place on Wednesday.

Week 2 from October 24 to 28

Animated by Petra and Valentina accompanied by team of interns.

At the beginning of autumn and with the magic of five elements, come and discover the adventures of the great heroes of Greek Mythology and their fantastic creatures.

From the Medusa to Pegasus, from Herakles to Theseus and the Minotaur! Climb aboard the ship Argos and set sail in search of the Golden Fleece.

A camp for those who want to discover the magic of Greek heroes in relation with the elements earth, water, fire and air! Surprises and nature walks will inspire you to create your own adventures and who knows, become the hero of your own story?

Special Covid-19/ Hygiene in general

Children wash their hands with soap upon entering the premises and regularly throughout the day. We cannot accept a child with symptoms related to the coronavirus (see ofsp.ch). A parent must be able to pick up his or her child at any time if symptoms appear during the day.

Ticks :

Due to the increase of ticks in the region, the écoline team makes sure that children are protected before each outing with Anti Brumm Natural repellent spray.

Si vous souhaitez fournir un autre produit à votre enfant, merci de bien vouloir prévenir l'équipe de l'écoline.

ACCIDENTS/INCIDENTS

The accompanying team does everything possible to preserve the physical and moral integrity of your child. However, as in any activity, there is no such thing as zero risk.

In the event of a serious accident/incident: the EPFL emergency team will be contacted, and if necessary, an ambulance will be arranged to take your child to the nearest hospital.

In the event of a minor accident/incident: the EPFL emergency team may be called to determine the seriousness of the accident/incident, basic care will be provided by the staff and the family will be informed and will be able to take the necessary decisions.

Please let us know if you have any medical history and/or treatment that needs to be communicated to us.
