

ART & NATURE CAMPS

SUMMER 2022

We are offering children 4 weeks mixing observations and creativity to discover nature and be inspired by it for artistic and creative activities.

Several **immersive outings** to the forest and the lake are planned. They will be accompanied by many creative, artistic, imaginary and playful activities inside. A picnic will be held during the week for a full day outdoors.

A quiet time takes place after lunch, with a story, a massage workshop and relaxation. Your children can bring books or material (cuddly toy, pillow, blanket).

Example of activities (according to the interests and desires of the children):

Outings, games and explorations in the forest, at the forest sofa, at the lake and at the mini-farm in Bassenge (public transport and walks)

A special outing related to the theme will be proposed on Wednesday, (location to be confirmed).

Week 2 from July 11 to 15
