

ACTIVITY WEEK FEBRUARY 2023

PROGRAM AND OTHER INFORMATION

During this week, we will discover the collection of chairs exhibited at the Mudac Museum in Lausanne « [A chair and you](#) ».

We will have fun creating our own fancy chairs!

Miniature chair, flying chair, throne chair and what if we would try to imagine a chair adapted to the animal of your choice? What would be its shape? Its position?

Individually or in small groups, we will create our own chairs museum.

An offbeat approach to grasp the ergonomics, the function or the poetry of this object.

The whole team is looking forward to welcoming you for a week full of imagination, creativity and good times together!

A quiet time takes place after lunch, with a story, a massage workshop and relaxation. Your children can bring books or material (cuddly toy, pillow, blanket).
