

ACTIVITY WEEK JULY 17-21 2023

PROGRAM AND OTHER INFORMATION

Medieval week

Join us on a journey back in time to medieval times!

Discover the quests of knights and adventurers, fairies, witches and magicians.

We'll also discover the bestiary of medieval fantasy animals (dragons, unicorns, trolls, basilisks...).

Through storytelling, construction, culinary workshops and themed nature outings, we will discover the historical and legendary life of the Middle Ages.

On Wednesday, we'll be off to Chillon for a day of immersion, with a visit to the castle accompanied by Hurepel, a Swiss medieval knight (*"Animateur en reconstitution historique vivante"*).

The whole team is looking forward to welcoming you for a week full of imagination, creativity and good times.

A quiet time takes place after lunch, with a short story, massage and relaxation workshop. Your children can bring their own books or materials (cuddly toys, pillows, blankets).
