

ACTIVITY WEEK JULY 17-21 2023

PROGRAM AND OTHER INFORMATION

Viking week

We invite you to take a new trip back in time, to encounter the Vikings.

A week punctuated by the sagas of Nordic mythology. Gods, goddesses, giants and elves will reveal the mysteries of their nine worlds and their final battle, Ragnarok!

On Wednesday, we'll have a visit from Aasmundr, a Viking warrior who will present the daily life of the Nordic peoples (weapons, clothing, various objects, etc.).

(Animateur en reconstitution historique à vivante)

The week's highlights :

- mythological tales
- runes workshop
- creation of the gods' notebook
- Outdoors Vikings games

The whole team is looking forward to welcoming you for a week full of imagination, creativity and good times.

A quiet time takes place after lunch, with a short story, massage and relaxation workshop. Your children can bring their own books or materials (cuddly toys, pillows, blankets).
