Conditions of access

- The services of the Point Vélo are reserved exclusively for **students** registered at **EPFL** and for **employees** with an EPFL work contract. A control of Camipro cards will be done for any service.
- This catalog is a **non-exhaustive** list of the new cycling gear sold at Point Vélo. Pricing may vary according to furnishers.
- Cyclists are allowed one bike per person and per year. Handwork is at cost price (CHF 25.- /hour), but free for students.
- Most of our articles are in stock. In some cases, articles will need to be ordered. Shipping time will vary depending on the nature of the order.

Any article listed on our partner's online catalog may be ordered: Bikes, parts, clothing, accessories...

Discount up to 25% can be obtained through the Point Vélo.

TYPE:
Tire

MTB tire 26*2.1

Shines especially on tarmac.

PRICE:
35.00

ORDER #:
F 24.76811

TYPE:
Tire

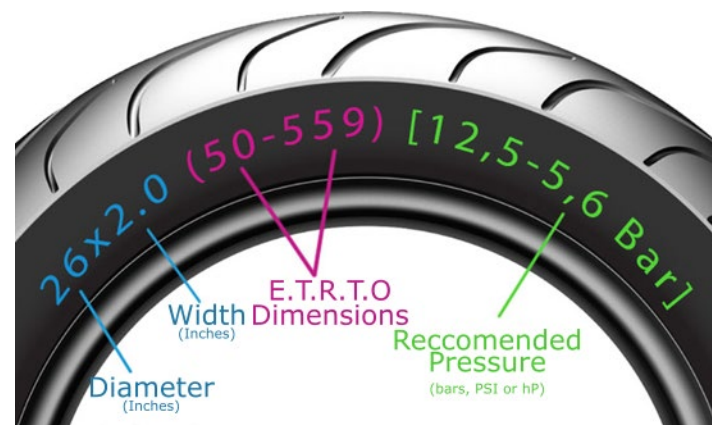

Tire sizes

Your tire's size is written on its flank.

On smooth surfaces, thinner tires will ride faster, whereas wider tires will provide more comfort in case of irregularities.

Slick tires will provide a smoother ride, but tire profile will increase adherence on wet road or offroad.

Tubes

Presta tube 700*30/35

Tube for most 28" city bikes.
Valve 48mm.

PRICE:
6.00
