

AUTHORISATION FORM FOR REGISTRATION TO A <u>PRIVATE LANGUAGE</u> <u>COURSE</u> FOR EPFL EMPLOYEES

This form concerns those employees of EPFL who are registered under the title of 'personnel' with the SAP (ie members of the teaching, administrative and technical staff). Such persons shoulder considerable responsibility, are obliged to learn a foreign language and have no other choice than to follow a private course. A maximum of 20 hours' tuition is largely sufficient for such a course. The financing of courses for other reasons is in theory not permitted.

Please complete this form, have it signed by your superior and HR officer and return it to Learning & Development for final approval. Upon registration, you will be required to give <u>the original version</u> to the Language Centre or, for external employees, to the language school in question. The form must be accompanied by <u>a letter of motivation</u>, without which the request will be considered incomplete.
