## **Wooclap**

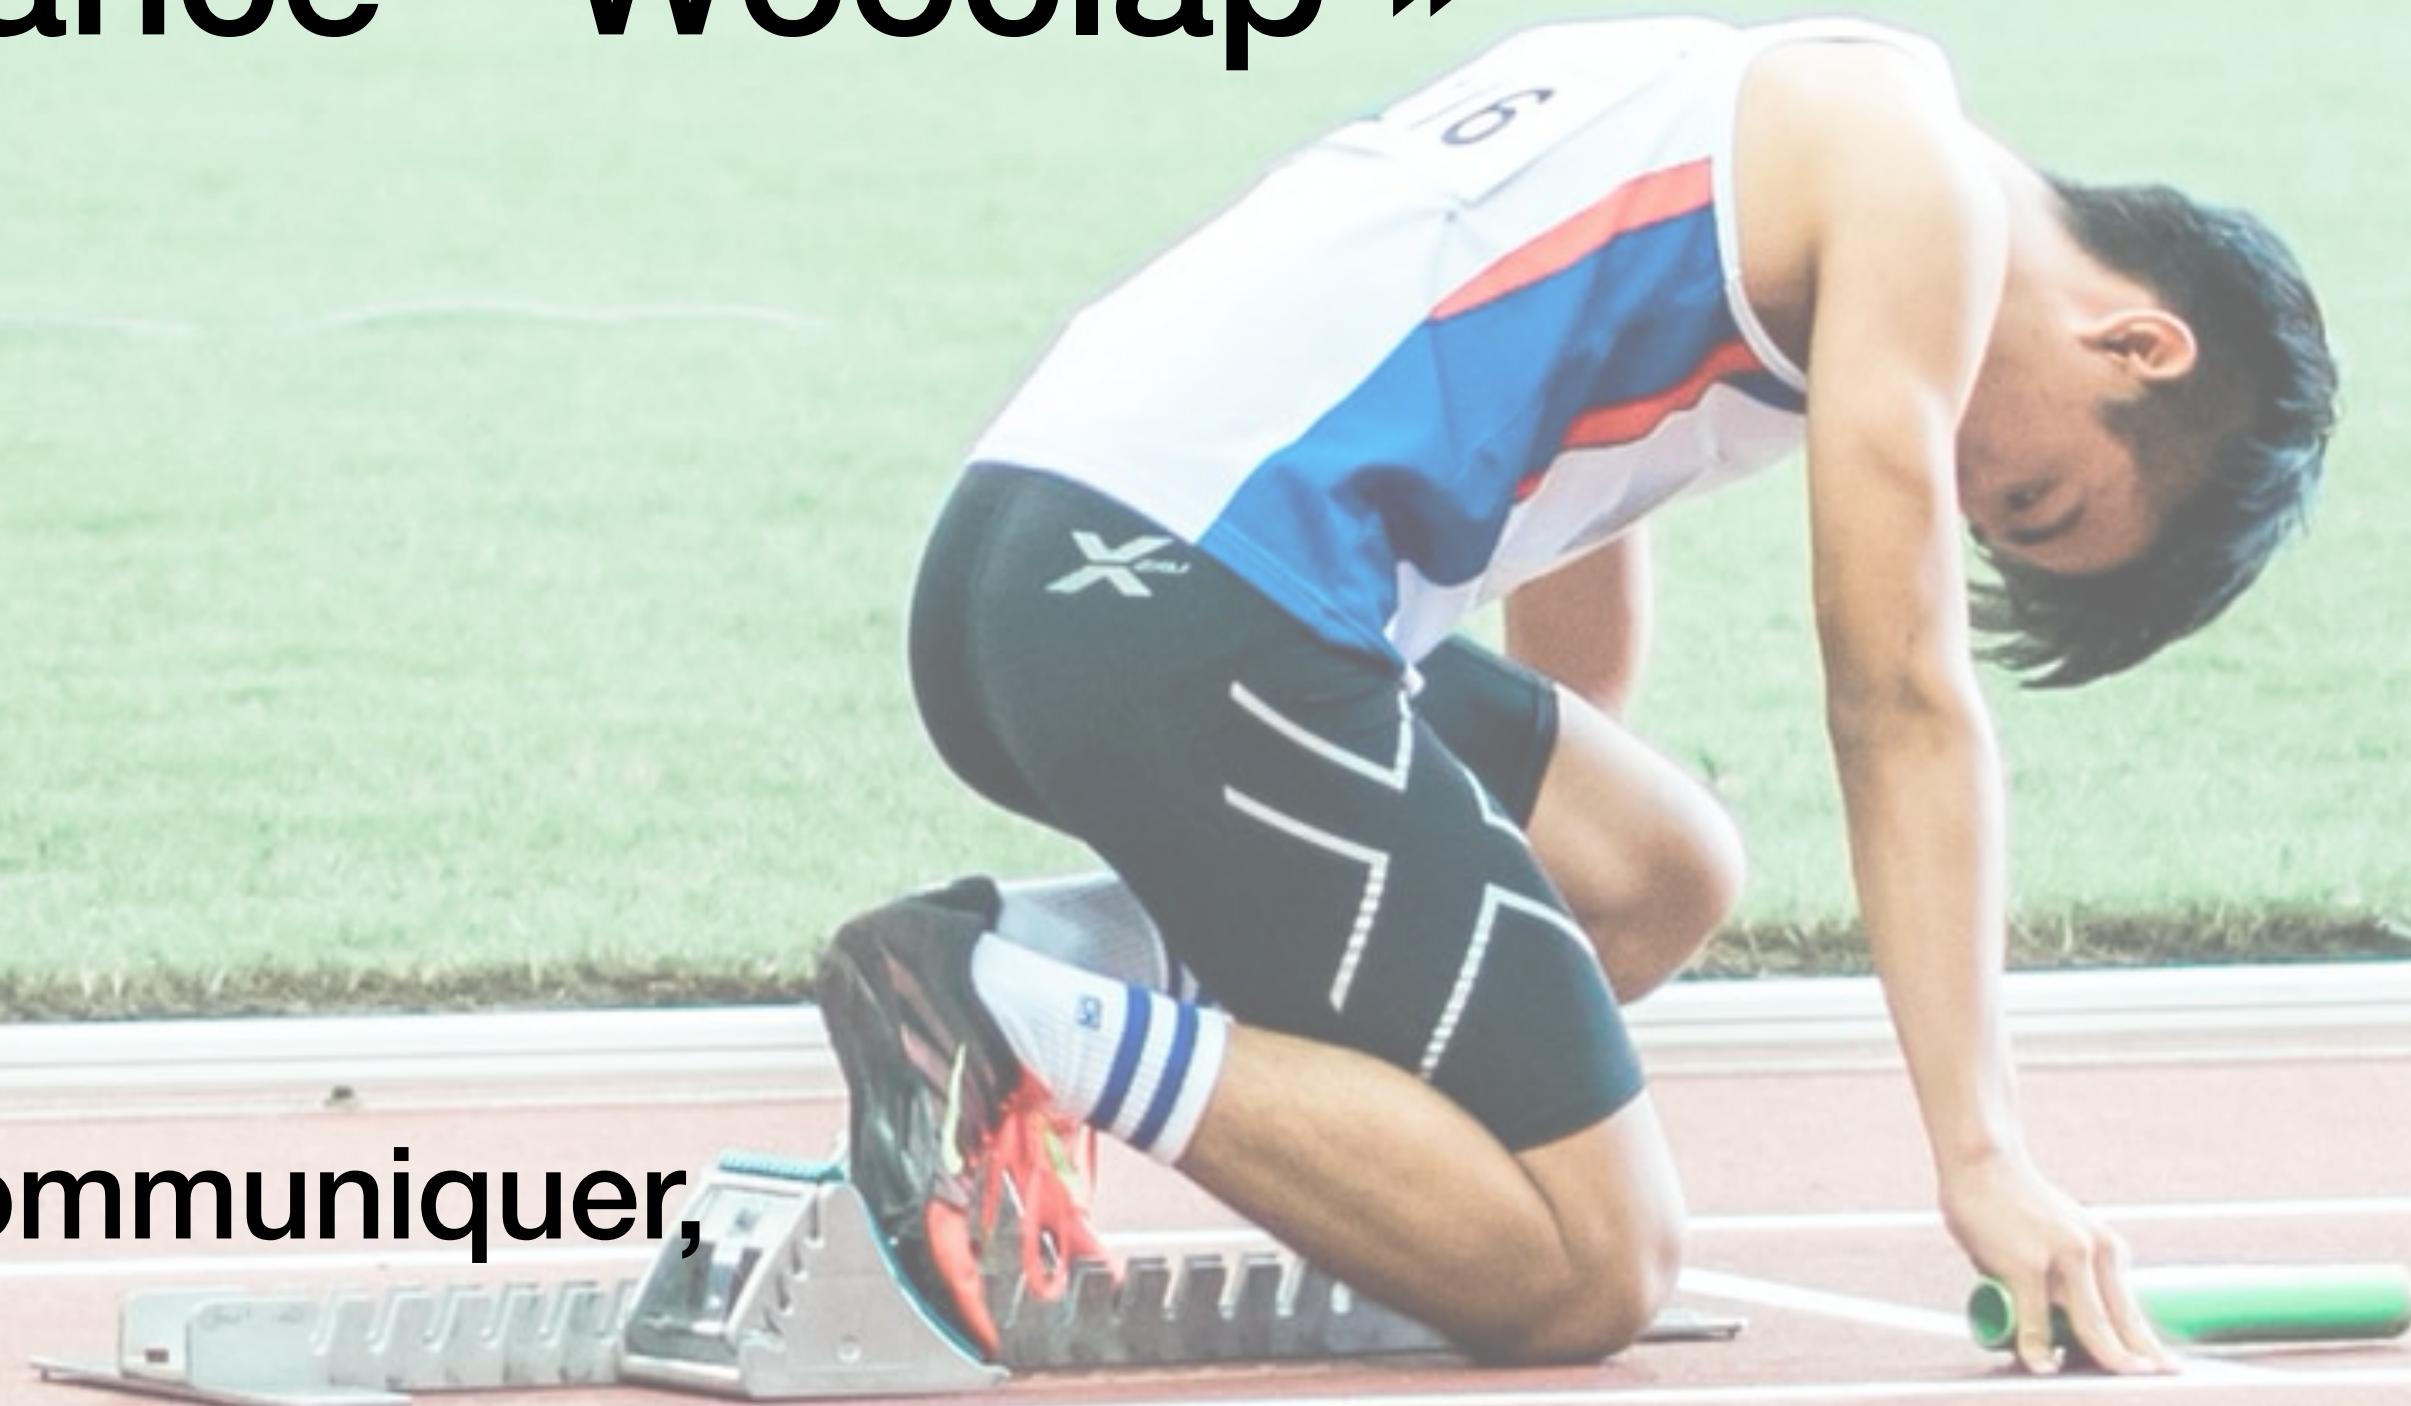

**02.04.2020**

# Bienvenue au webinar #4

## « Enseigner à distance - Wooclap »

Pour bien commencer ...

- dans Zoom, couper votre micro,
- utiliser le « chat » (conversation) pour communiquer,
- ouvrir la page <https://www.wooclap.com/OUTILCLASSEDISTANCE>
- le contenu du Webinar sera disponible au format PDF sur Meistertask.

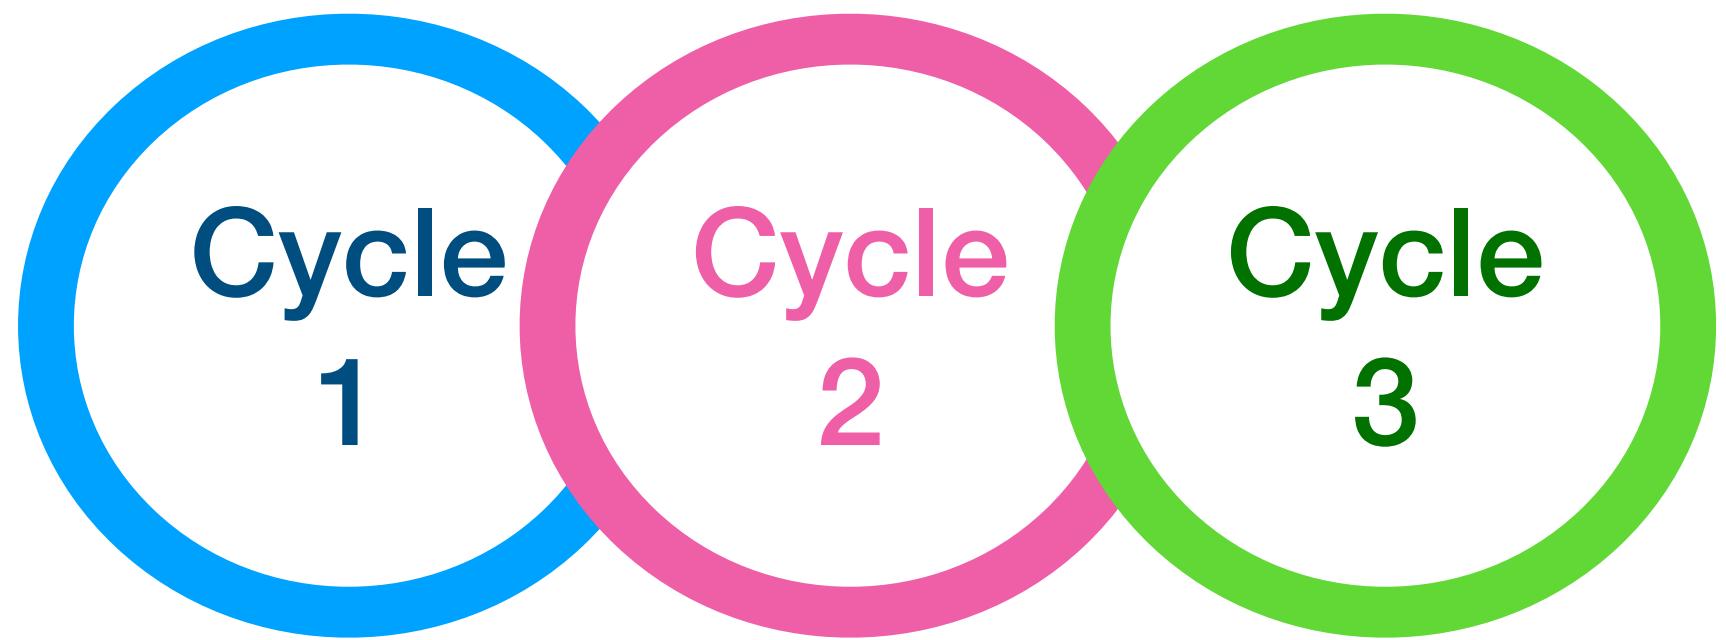

# Contenu du webinar

- Vue d'ensemble de l'outil
- Tester les activités
- Echanges / Questions - réponses

# En préambule

« *Multi cycles* »

« *Multi os* »

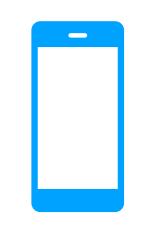

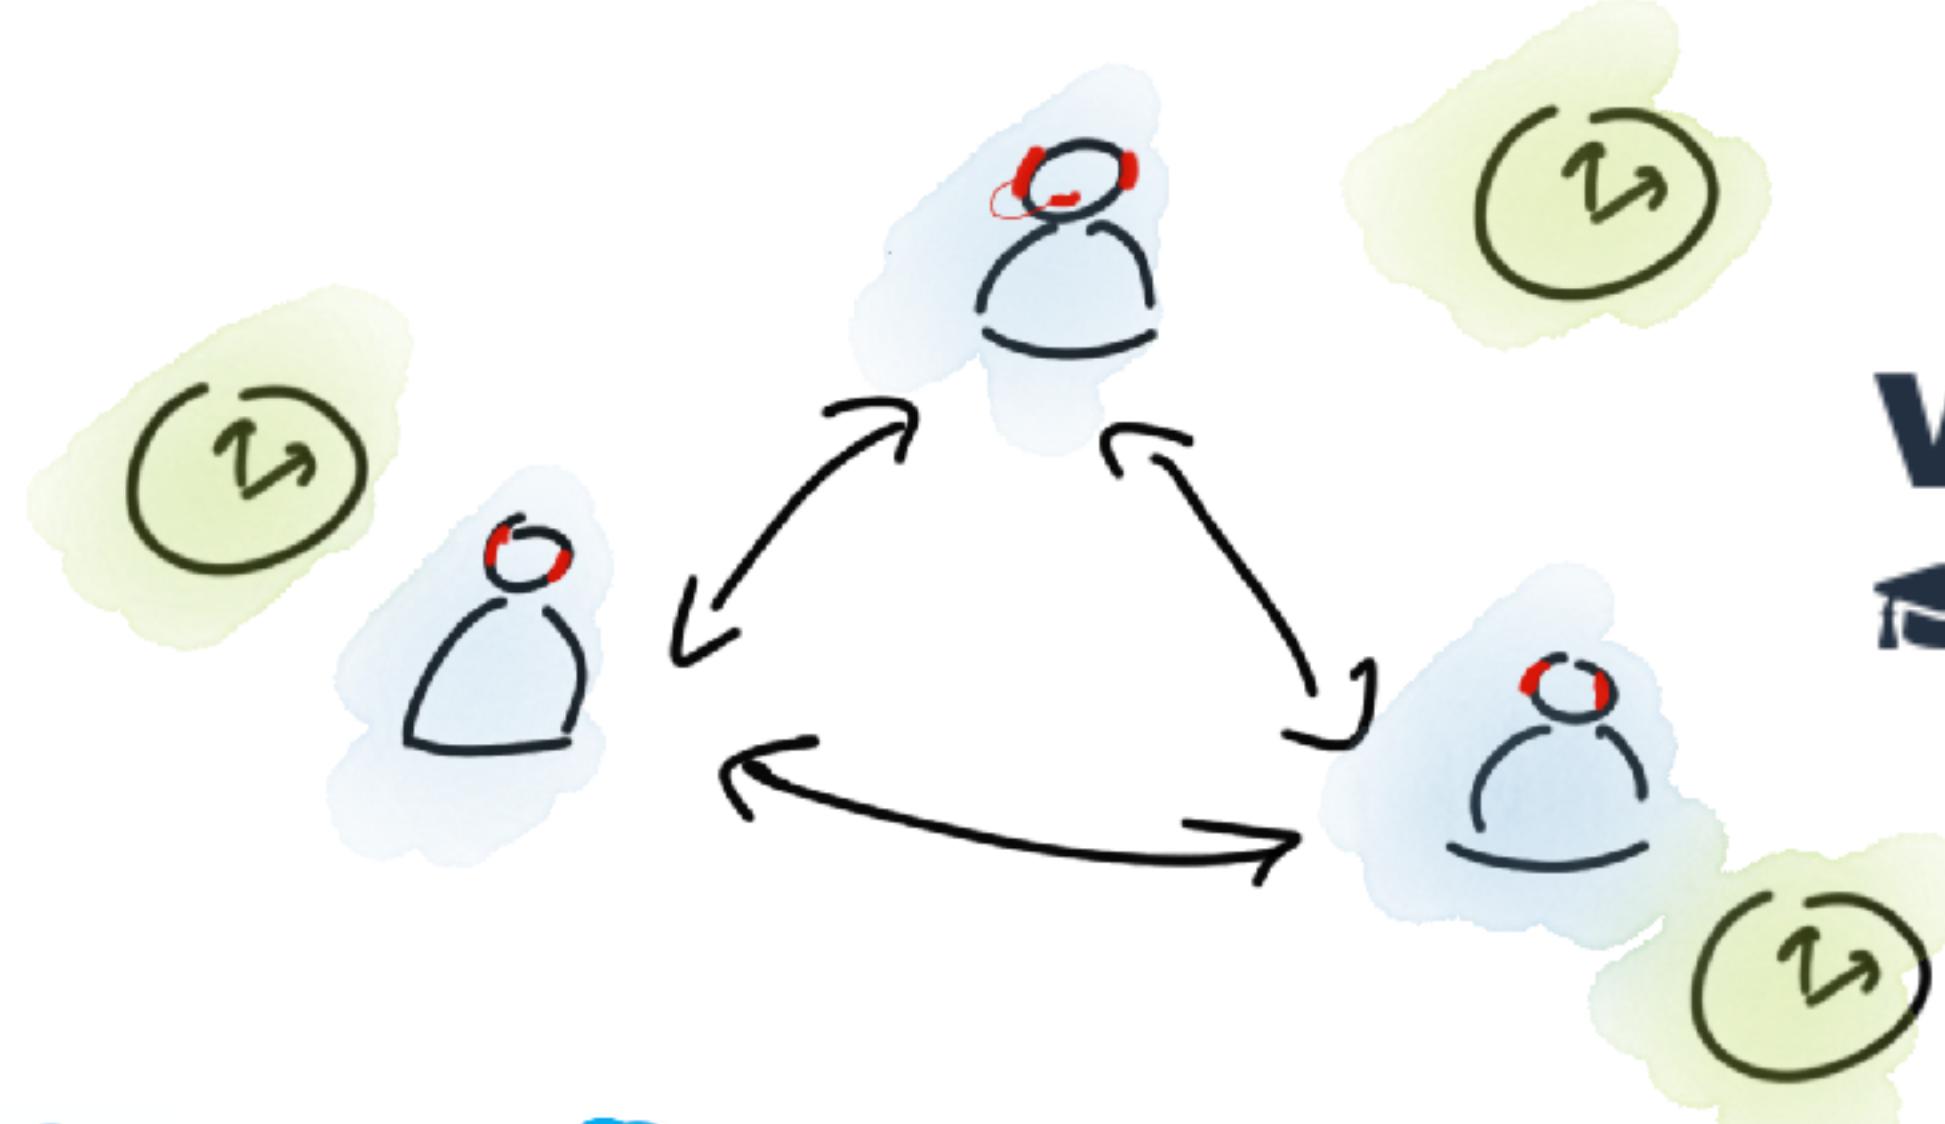

# Commencer **petit** et simple

« L'enseignement à distance ne saurait répondre aux mêmes exigences que l'enseignement présentiel ... » C. Amarelle

# **Tester les activités**

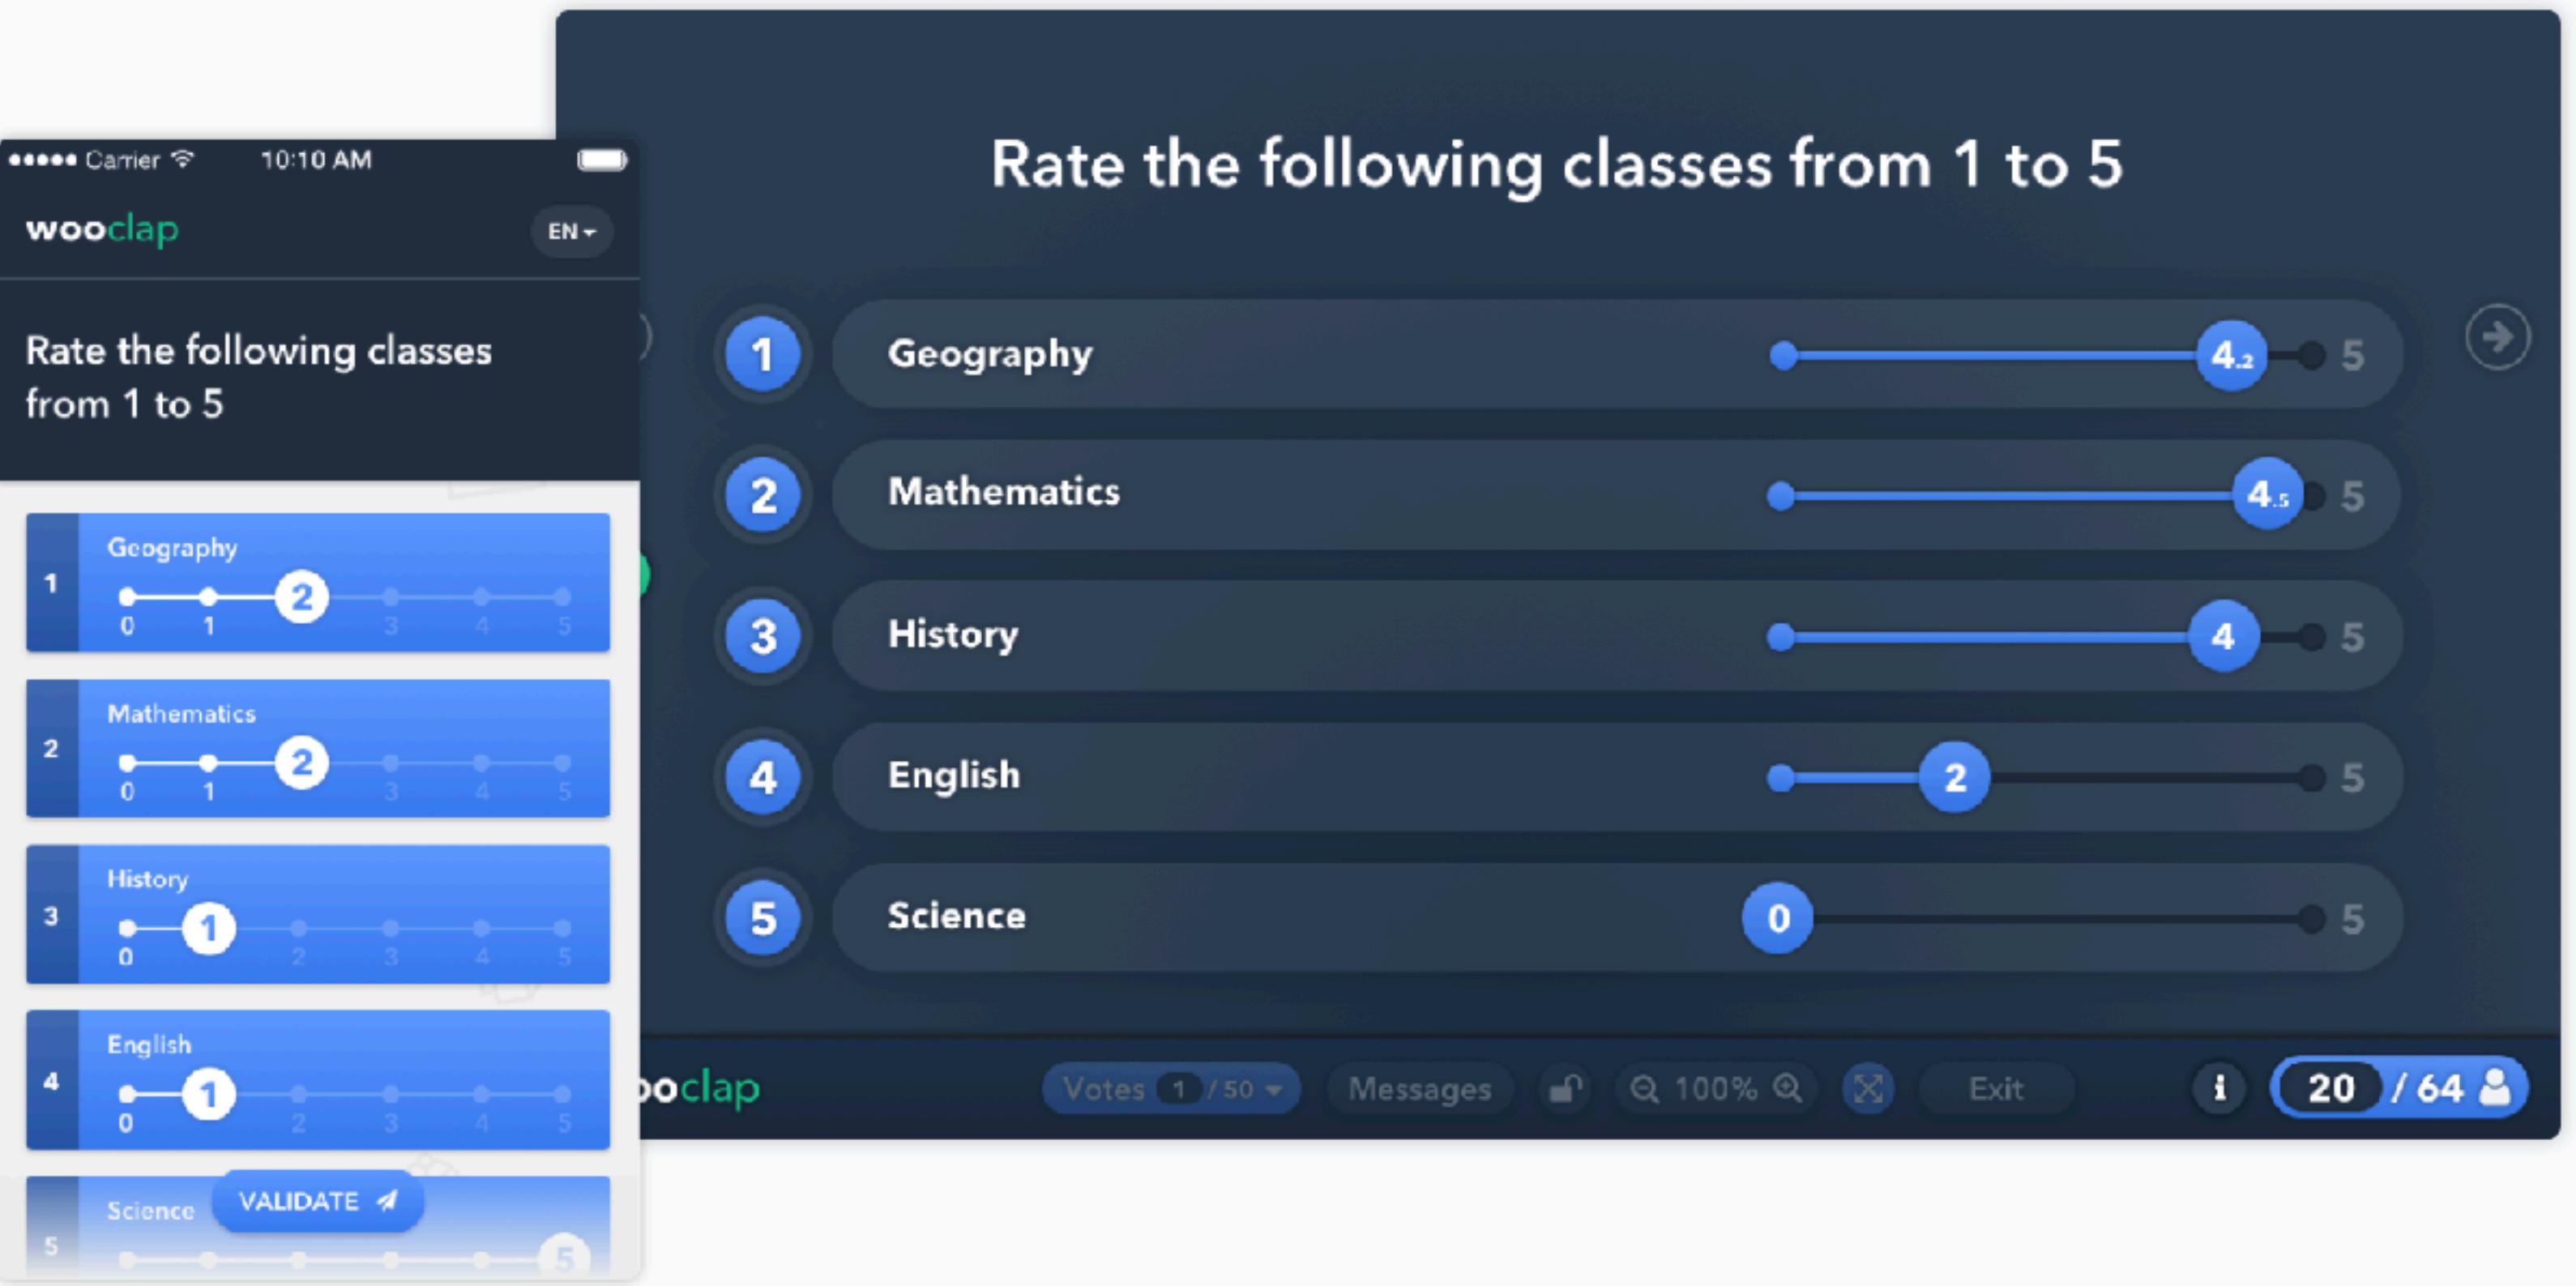

## Questions à choix multiples

Les questions à choix multiples sont une manière facile et efficace d'évaluer le niveau de compréhension global de votre public. Les participants choisissent une ou plusieurs réponses, et les résultats sont affichés sous forme d'histogramme.

## Échelle

Laissez l'audience évaluer des attributs sur une échelle prédéfinie, un manière rapide et utile pour analyser l'opinion du public sur différents attributs.

The screenshot displays two views of the wooclap app. On the left, a mobile view shows a poll titled "Rate the following classes from 1 to 5". It lists five categories: Geography, Mathematics, History, English, and Science. Each category has a small card with a number (1, 2, 3, 4, or 5) and a corresponding rating scale from 0 to 5. The scales for Geography, Mathematics, History, and English show a value of 2, while the scale for Science shows a value of 0. A "VALIDATE" button is at the bottom. On the right, a desktop view shows the same poll with the same results: Geography (4.2), Mathematics (4.5), History (4), English (2), and Science (0). The desktop view also includes a header with "Rate the following classes from 1 to 5", a sidebar with "wooclap" and "EN", and a footer with "Votes 1 / 50", "Messages", "100%", "Exit", and a user count of "20 / 64".

Class	Rating
Geography	4.2
Mathematics	4.5
History	4
English	2
Science	0

## Sondage

Demandez l'opinion du public et identifiez les tendances en quelques instants. Les sondages sont des questions à choix multiples, sans réponse correcte.

Carrier 10:10 AM EN

# How involved are you with sustainability?

1 I recycle even if it takes more time.

2 I always try to take the public transportation, or share my car on car-sharing websites when I use it.

3 I mostly eat locally produced goods, as long as it doesn't cost more.

4 Even if it costs more, I will still only buy locally produced goods.

5 I don't believe I can have an impact and don't take sustainability into account in my daily life.

VALIDATE ➔

# How involved are you with sustainability?

- I recycle even if it takes more time. 0  
  - I always try to take the public transportation, or share my car on car-sharing websites when I use it. 50%  
  - I mostly eat locally produced goods, as long as it doesn't cost more. 25%  
  - Even if it costs more, I will still only buy locally produced goods. 0  
  - I don't believe I can have an impact and don't take sustainability into account in my daily life. 25%  

## Trouvez sur l'image

Demandez à votre public de pointer la zone correcte sur une image.

The screenshot displays a mobile application interface for a poll titled "Where is the amygdala?". The poll asks participants to "Point to the right area" on a brain diagram. The diagram shows a cross-section of a human head with the amygdala highlighted in red. Numerous blue location pins with user icons are placed over various regions of the brain, indicating multiple incorrect answers. The poll interface includes a "VALIDATE" button at the bottom left and a progress bar at the bottom right showing 20 out of 64 participants have responded.

## Nuage de mots

Épatez votre public avec un nuage de mots qui se réarrange en temps réel et met en avant les mots les plus récurrents.

The screenshot shows a Wooclap poll interface. The question is "How do you think the government can promote sustainable behavior?". Below the question is a blue input field labeled "Enter your answer". A button labeled "Public Transportation" with a right-pointing arrow is highlighted. To the left of the input field, there is a list of recent answers: "Car sharing", "Education", "Eco-cheques", "Incentives", and "Energy policy". On the right side of the screen, a word cloud displays several concepts in various colors: "PUBLIC AWARENESS" (green), "BILLBOARD CAMPAINS" (orange), "CAR SHARING" (white), "PUBLIC TRANSPORTATION" (pink), "SUBSIDISING" (orange), "INCENTIVES" (blue), "FREE UNIVERSITY" (white), "EDUCATION" (pink), "ENERGY POLICY" (teal), and "ECO-CHEQUES" (green). At the bottom, there are navigation buttons for "Votes 1 / 50", "Messages", "100%", "Exit", and a user count "20 / 64".

## Questions ouvertes

Laissez vos participants entrer librement leurs réponses. Ceci est une excellente manière d'obtenir des avis plus élaborés.

The screenshot shows the wooclap mobile application interface. At the top, there is a question card with the title "How do you think the government can promote sustainable behavior?". Below the title is a large blue input field labeled "Enter your answer". To the right of this input field is a button with the text "Public Transportation" and a right-pointing arrow. Below the input field, there is a section titled "Recent answers" with a list of five categories: "Car sharing", "Education", "Eco-cheques", "Incentives", and "Energy policy". On the right side of the screen, a list of responses is displayed, each with a hand icon and a numerical value indicating the number of votes. The responses are: "Public Transportation" (100 votes), "Education" (23 votes), "Eco-cheques" (0 votes), "Incentives" (10 votes), and "Energy policy" (2 votes). At the bottom of the screen, there are several status indicators: "Votes 1 / 50", "Messages", "Q 100% Q", "Exit", and a user count "20 / 64".

Response	Votes
Public Transportation	100
Education	23
Eco-cheques	0
Incentives	10
Energy policy	2

## Devinez un nombre

Demandez à votre audience de répondre à une question avec une valeur numérique. La moyenne, les minima et maxima seront affichés sur votre écran.

The screenshot shows the Wooclap app interface. At the top left, there's a small mobile device icon with 'Carrier' and '10:10 AM' above it. Below that is the Wooclap logo and a language switch to 'EN'. The main title of the poll is 'What is the population of Mexico City? (in millions)'. A blue overlay box contains the text 'Pick a number' and a slider with the value '11'. To the right of the slider are three buttons: a minus sign, a plus sign, and a greater than sign. Below this, under 'Recent answers', are five recent inputs: '10', '14.5', '5', '3.5', and '9'. On the right side of the screen, there's a large grid of numbered bubbles ranging from 1 to 20+. The numbers 10, 14.5, 5, 3.5, 9, 1, 20, 2, 5, 20, 2, 20.2, 17, 20, 6, 24, 2.3, 9, 16, 25, 1, 19, 34, 7, 8.4, 3, 6.7, 7, 15, 12, and 11 are visible. At the bottom of the screen, there are various control buttons: 'Votes 1 / 50', 'Messages', a search bar with '100%', a 'Exit' button, and a status bar showing '20 / 64' participants.

100  
50 30 20

## Priorisation

Les participants répartissent 100 points entre différentes propositions, en accordant plus de points à leurs propositions préférées. Ceci permet d'accorder un degré d'importance à chaque élément.

The screenshot shows a mobile application interface for the Wooclap platform. At the top left, there is a purple header bar with the number '100' and three smaller boxes containing '50', '30', and '20'. The main title 'Priorisation' is displayed in large, bold, dark blue text. Below the title, a descriptive text explains the process: 'Les participants répartissent 100 points entre différentes propositions, en accordant plus de points à leurs propositions préférées. Ceci permet d'accorder un degré d'importance à chaque élément.' On the right side of the screen, a large text box asks, 'What do you want to discuss first during this debate on sustainability?'. Below this question, there is a summary box showing 'Attribute all your points: 45'. To the right of this summary box, there are three categories listed with their respective point values: 'Policy' (550 pts), 'Education' (1000 pts), and 'Sustainable business models' (450 pts). Each category has a circular icon with a letter (A, B, or C) and a detailed description. The 'Policy' category has a value of 30, 'Education' has 25, and 'Sustainable business models' has 'Insert a number'. At the bottom of the screen, there are various navigation icons and a status bar indicating 'Votes 1 / 50', 'Messages', and 'Exit'.

What do you want to discuss first during this debate on sustainability?

A Policy 550 pts

B Education 1000 pts

C Sustainable business models 450 pts

Attribute all your points: 45

Policy 30

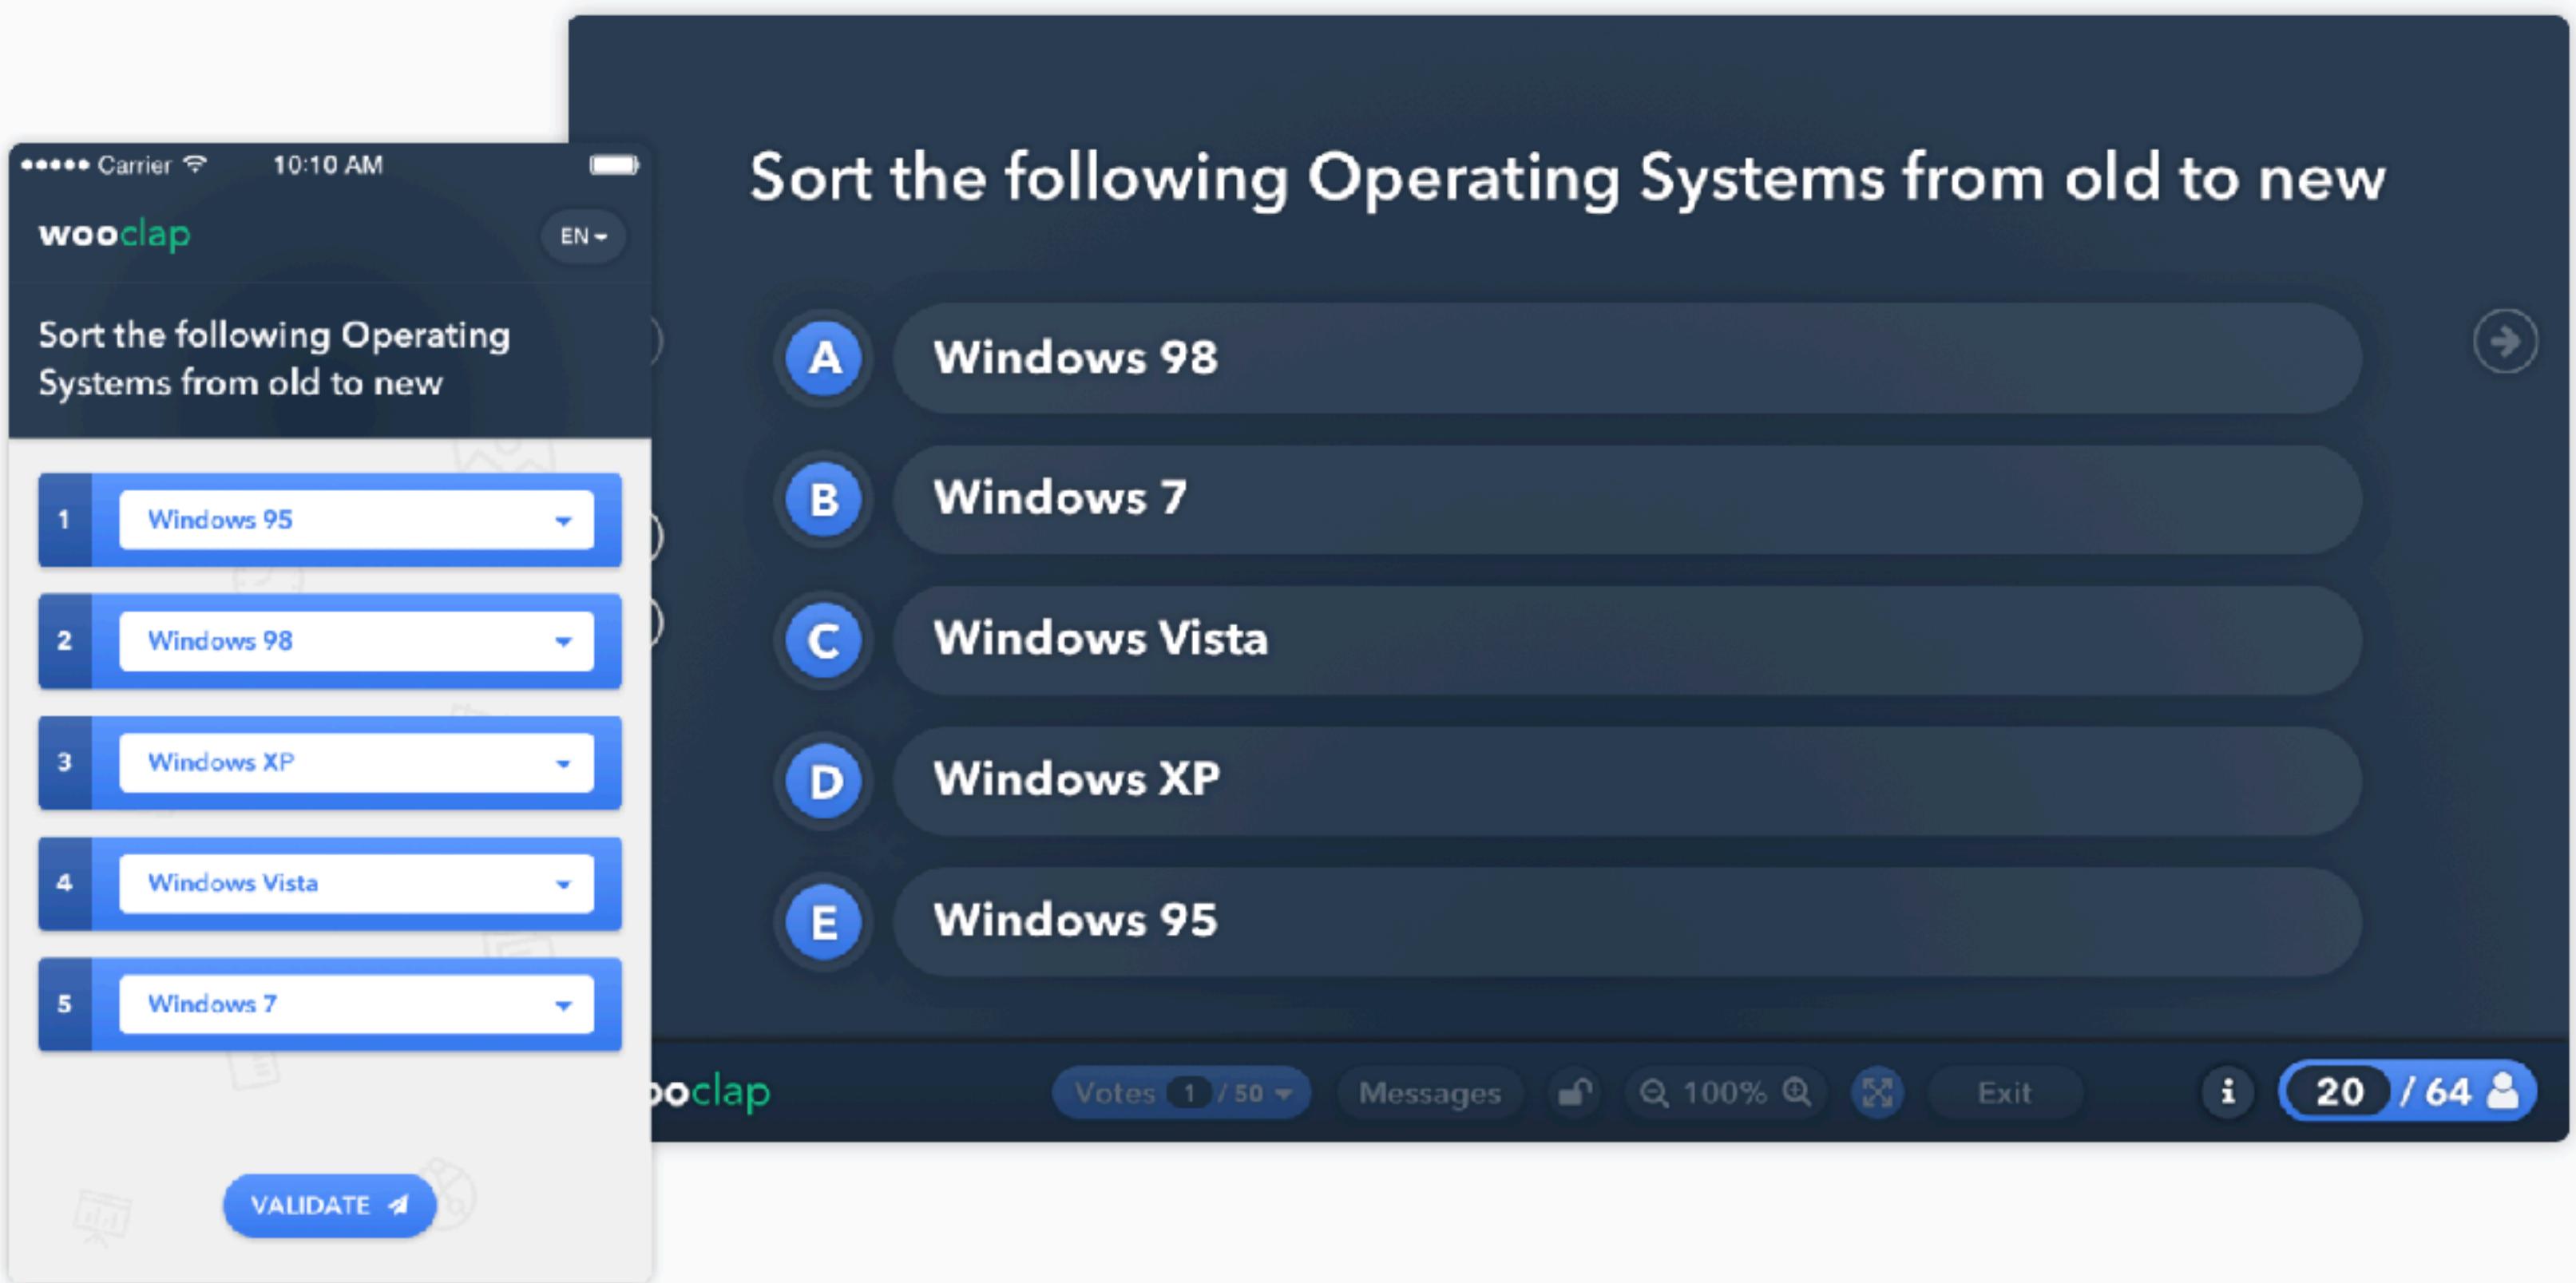

Education 25

Sustainable business models Insert a number

## W [?] Texte à trous

Demandez à votre audience de compléter un texte à trous.

The screenshot shows the wooclap mobile application interface. At the top, there's a header with the word "wooclap" and a language selection "EN". Below the header, a question is displayed: "This extract of the first article of the declaration of human rights is incomplete. Can you guess which one?" A blue callout box contains the partially completed sentence: "All human beings are born free and equal in dignity and [1]". A blue button labeled "[1] Rights" is shown below the callout. In the bottom right corner of the callout box, there's a circular badge with the number "1". The main interface has a dark background with various icons (people, document, speech bubble) floating around. At the bottom, there's a toolbar with buttons for "Votes 1 / 50", "Messages", "Exit", and a user count "20 / 64". A large blue "VALIDATE" button is located at the bottom center of the screen.

## Diapositive

Ajoutez rapidement de l'information supplémentaire ou un texte utile avec une illustration au sein de votre présentation pour permettre à votre public de mieux comprendre le sujet.

The image shows a mobile phone screen and a separate slide both titled "How to use wooclap?".

**Mobile Phone Screen:**

- Carrier: Carrier
- Time: 10:10 AM
- Language: EN ↴

The slide content includes:

- What is the capital of Uganda?**
- Create your questions**: Sign up on the web and write the question you want to ask. You can start from scratch or use one of our practice examples.
- The participants vote**: Your audience goes to the voting website, enters the code for your presentation and votes. No installation or setup needed.
- Display the results**: The results will be displayed in real-time as the votes come in. Of course you can also hide the results until everybody is finished.

**Separate Slide Content:**

## Brainstorming

Demandez à vos participants d'exprimer leur opinion sur un sujet et triez leurs idées par catégories.

The screenshot shows the wooclap mobile application interface. At the top, it displays the question: "What ideas do you have for a sustainable future?". Below this, a sub-question asks "Suggest an idea for the category Infrastructure". A "Public Transportation" button is highlighted in orange. To the right, a list of recent answers is shown in colored boxes: "Car sharing" (orange), "Eco-cheques" (blue), "Energy policy" (blue), "Free university" (red), and "Incentives" (green). On the right side of the screen, several 3D-style sticky notes are displayed, each containing a suggestion: "Subsidising" (blue), "Energy policy" (blue), "Free university" (red), "Eco-cheques" (blue), "Car sharing" (orange), and "Incentives" (green). The bottom of the screen shows various app navigation icons and a status bar indicating 100% completion and 20/64 participants.

## Vidéo

Entrez l'URL de votre vidéo (DailyMotion, Vimeo, YouTube) ou votre fichier MP4 pour ajouter du contenu convaincant à votre présentation.

The screenshot shows a video player interface. At the top, there's a red header bar with a play button icon. Below it, the title "The future we're building -- and boring | Elon Musk" is displayed. The main content area shows two men sitting in armchairs on a stage, engaged in a conversation. One man is holding a clipboard. The video player has a dark theme with a progress bar at the bottom showing "519 / 40:50". At the bottom of the screen, there's a toolbar with various icons and buttons, including "Votes 1 / 50", "Messages", "Exit", and a user count "20 / 64". On the left side of the video frame, there's a smaller video preview window showing the same scene. The overall interface is designed for live video streaming or recording.
