REQUEST FOR OUTSIDE COURSE CREDIT

Before the course starts:
- fill in this form before the course
- attach the syllabus/course outline mentioning the exact number lecture hours
- have it signed and approved by your thesis director
- send it to the EDCB office (upon pre-validation, the form will be returned to you)

After the course exam:
- ask the examiner to complete points 11-13
- send the form with your attendance and exam certificate to the EDCB office
- the program director and the doctoral school will decide on the number of credits
- check your credits on IS-Academia and inform the EDCB office if any are missing

1. Name __________________________________________ First name _____________________________________
