

Oral thesis examination

CONFLICT OF INTEREST DECLARATION

Candidate	
Thesis title	
Date of oral thesis exam	

Possible conflicts of interest:

- Jury members must not have hierarchical relations to one another.
- Jury members must not have a close personal or professional relationship with the candidate or thesis director (married, etc.). In particular, the external and internal experts as well as the jury president should not have taken part into the work reported in the thesis.

-
- I have verified with the members of my jury the presence of conflict of interest. To the best of my knowledge, I declare that no jury members have conflict of interest.
- I have the following conflict of interest to declare between myself and the jury members of my oral thesis exam that I explain here below. The situation will be submitted to EDMA commission for evaluation.

Explanation :
