Provisional title	

	Date	Signature
Doctoral Student		
Thesis Director		
Thesis Co-Director		
Doctoral Program Director		

This annual report must be sent back to EDMI Office, duly signed by the PdD Student, Thesis Director and Co-director (if applicable) by March 5th, 2018.

The expected overall length of this report is between 3 and 5 pages.

Part I: to be completed by the doctoral student

1. What research progress did you make since you started / last review?
(List all publications and submissions, if any)

2. What progress do you plan to make between now and the next review?

3. Which courses did you take since you started / the last review (course names & credits)

4. Which teaching activities did you perform since the last review?

5. Calendar of upcoming work

6. Other activities (e.g., demos, help for fundraising)

7. Optional: Comments (e.g., request for supervisor's actions or any significant changes with respect to the initial research plan)

Part II: to be completed by the thesis director

1. Assessment of the progress by the supervisor

2. Optional: Supervisor's advice to the student
