Message important

Validate your FRAC EDOC

Access to this tab won't be available until you have validated your periodic **data validation form (FRAC EDOC)**. Please note that requests for student address change can take up to 2 working days to be processed. Once your FRAC is validated, please [click here to continue](#).

If you see this, please check the FRAC guideline

Final draft of the thesis

14:42 | Report without submitting | Submit the draft of the thesis

Add content

Mandatory Fields

Important message

In this second step, you are required to enter the abstract and the keywords for Infoscience, and finally upload the version of your thesis that you will defend at your oral exam. To upload the pdf file of the provisional version of your thesis (maximum 200MB), please choose the tab "Documentation" on the right and use the box "Upload a document" and then click on "Submit the draft of the thesis". For the printing of the copies of the provisional thesis, please follow the instructions here.

It is confirmed by: 20.01.2017

Details of restrictions required by your thesis director

Thesis title

Corrections could be added after the oral exam:

Thesis title using arbitrary characters: Molecular Imaging of Biopolymers enabled by Electrospray Ion-Beam Deposition

Thesis title (Mandatory)

Title de thèse (Mandatory) obligatoire

Infoscience

Infoscience is the EPFL's institutional archive. It is a database that provides archives and alerts on scientific work and publications produced by the EPFL's labs. You will find further information at infoscience. All these fields are limited in the size of their content.

3499 characters maximum.

Abstract in English for Infoscience

Enter up to 10 keywords below, separating them with a comma
