**Final version of the thesis**

Phase 3/3

**In this last step, available on the following day of your oral exam, you are required to :**

1. take into account, where applicable, corrections required by the thesis jury during the oral exam,
2. specify the details with regard to the distribution of your thesis,
3. specify the details with regard to the printing of the final version of your thesis,
4. upload the pdf file of the final version of your thesis (maximum 200 MB) and where applicable, the instructions for the printing.

To upload the pdf file(s), please use the right box "Upload a document".

To be confirmed by: 14.01.2017

In the following fields, please provide the modifications which your thesis jury has requested. (In case of doubt, contact your thesis director : Bolay Jean-Claude).

**Thesis title**

Thesis title using ordinary characters:

When containing scientific formulae or specific formatting (italic, bold), the thesis title must also be entered here in **MathML**.

Thesis title (MathML):

Titre de thèse (MathML) enregistéré:

**Infoscience**

Infoscience is the EPFL's institutional archive. It is a database that provides archives and alerts on scientific work and publications produced by the EPFL's labs. You will find further information at infoscience

Abstract in English for infoscience:

Enter up to 10 keywords below, separating them with a comma.

**Final version of the thesis**

Enter up to 10 keywords below, separating them with a comma.

Keywords in English:

**Publication and distribution of the thesis**

An EPFL thesis has to be published and distributed after the public defence without further delay.

If a patent file application is in process, or where exclusive rights have been agreed with scientific journals, please contact the **Vice-Provost for Research** so that the publication of your thesis does not prejudice the patent registration.

The publication of the thesis in intranet [Intranet details] may be delayed at the outset for no more than 3 months when the thesis has to be published exclusively in scientific journals. Please indicate your publication period on intranet by clicking on the drop list 'Intranet publication date'. [BR][BR] You have also the possibility of distributing your work on the Internet [[URL:https://isa.epfl.ch/moniteur\_ISAP/PORTAL14S.document?ww\_i=1994592839&ww\_x\_type=PDF]Internet details/[URL]] by clicking 'Yes' on the drop list 'I approve the distribution on the Internet'. Then, please indicate the period your thesis can be distributed on internet by clicking on the drop list 'Internet publication date'. [BR][BR] For any questions on this subject, do not hesitate to contact [URL:mailto:theses.bib@epfl.ch]theses.bib@epfl.ch/[URL].

Publication date:

Intranet distribution date:

I approve the distribution on the Internet:

Internet distribution date:

**Communication**

We would appreciate having your permanent email address in order to maintain contact with you after you have graduated and for any possible questions regarding the publication of your thesis.

Permanent email address:

**Reprographie (Printing Service)**

Number of copies paid for by the lab:

Lab account number (fonds d'imputation):

Number of copies paid for by the doctoral student:

Number of pages in the thesis, per copy:

b/w and color printing according to the content of the thesis:

I wish to have the whole of my thesis printed in black and white:

The thesis must be printed according to the instructions in the attached document:

Number of pages to print in color:

The estimated price for a printed copy will be displayed after the first recording and only if all the fields concerning the printing ordering are complete.

Price estimate per printed copy: CHF

**Confirmation**

Layout of the thesis:  I confirm that I have carefully checked both content and quality of the pdf file of the final version of my thesis. As soon as my supervisor will have accepted it in the IS-Academia portal, I shall print a double-sided unbound copy and hand it to the Doctoral Students' Office. I understand that the Rebro - print center will not handle the printing of my thesis without my supervisor's acceptance.
