REMEDIATION

The present decision may be appealed to the Internal Appeals Commission of the Federal Institutes of Technology, Gutenbergstrasse 31, PO box, 3001 Bern, within 30 days of the notification of the decision. The notice of appeal specifies the conclusions, evidence, and grounds, under art. 37 LEPF and 49 PA. It bears the signature of the applicant or their representative. The contested decision and any exhibit cited as evidence must be enclosed with the notice of appeal. The notice of appeal must be written in an official language of the Confederation. It must indicate for the appealer an address or place of notification in Switzerland. An advance on the commission fees is generally collected by the appeal authority. The costs are generally borne by the losing party.
