1. This questionnaire will allow the teacher or teaching team, and the section, to know your opinion on the course.

1.1 Please, indicate your section:
- AR
- EL
- IF
- MT
- NX
- SC
- UNIL

1.2 I find this course interesting.
1.3 I think the course is well organized.
1.4 It was clear to me during the course what I should know and be able to do by the end of it.
1.5 The course activities (exercises, labs, projects, readings, etc.) helped me learn.
1.6 I could get advice and useful feedback on my work during the semester.
1.7 I find that the class climate enabled me to participate, contribute, or ask questions.
1.8 I find the workload appropriate given the course’s weighting in credits/coefficients.

2. Please, give your general appreciation and comments on the course.

2.1 Overall, I think this course is good.
2.2 Your comments on this course:

2.3 Do you have any suggestions on how this course could further integrate aspects of sustainability (environmental or societal)?
