EPFL

WELCOME TO EPFL

EPFL is Europe's most cosmopolitan technical university. It welcomes students, professors and collaborators of more than 120 nationalities. EPFL has both a Swiss and international vocation and focuses on three missions: teaching, research and innovation. **We are happy to welcome you among us!**

EPFL is headed by the Direction, which is composed of the President, the Vice Presidents and the Central Services. It is substructured into five Schools, two Colleges, an EPFL Assembly, a Council of EPFL teachers and multiple Centres.

Your EPFL credentials

MicrosoftID is the password and authentication manager for users at EPFL.

It allows you to use the EPFL's web applications and also to access network services (WiFi, e-mail).

When working remotely, in addition to the Gaspar, you will need a VPN connection.

The links in this document with 🛡 require authentication.

All the information in your pocket!
