July 7th-13th & August 25th-31st

Check the video: https://www.youtube.com/watch?v=a2ip2nXh5OY

What? A 2-week bootcamp organized by the Eurotech network. EPFL participants will be pooled with students from TUM, EPFL, DTU, TU/e, Technion and Polytechnique Paris. You will travel across all 4 campuses during the bootcamp, and get a mix of training sessions, innovation ecosystem visits, as well as successful entrepreneurs testimonials. More details here and there.

Who? This camp is targeted to EPFL students who already have a project running, and are interested by the content delivered during the camp for the next stages of development of their start-up.

Cost: Eurotech covers transport, housing and some of the meals. Some local costs might still be at your expense.

Subscription deadline is March 29th. Please send to innogrant@epfl.ch:

- a cover letter explaining
  - why you would like to attend the camp.
  - what you expect from the camp.
  - how this camp will help you to further develop your start-up.

- a 2-page description of your project, including
  - what your project is about.
  - what you have performed so far and what are your next steps.

4-5 seats available.
