

Bernoulli Workshop Information

1 Location of lectures

The lectures will take place at the last floor of Bernoulli center on EPFL campus.
Here is the path from the SwissTech Hotel to the Bernoulli center.

2 Lunches and vouchers

For lunch, we have reserved some tables at the cafeteria “FoodLab Alpine” in the EPFL Campus. We will provide you with vouchers worth 20CHF, which is enough for a regular menu (if you exceed the 20CHF, you can pay the difference by card).

Vegetarian options are available and there is also a vegetarian/vegan buffet in which the price is determined by the weight of the food.

Water can be taken for free, filling the bottles on the tables.

To find the cafeteria you can use Google maps or EPFL map available at: <https://plan.epfl.ch/> (anyway, we will go for lunch all together from the Bernoulli Center).

3 Social Dinner

The social dinner will be at the **Restaurant L'Abordage**, Av. du Léman 67, 1025 Saint-Sulpice, on Thursday 11th at 19:00. A group will leave the workshop room at the Bernoulli center at 18:30.

4 General information about Lausanne and other activities

1. **Transportation:** getting around Lausanne is quite easy with the efficient public transport system, and upon checking in at your hotel, you'll receive a card granting you free access to local public transportation during your stay.
2. **Lakeside activities:** from the EPFL campus, it is a 30 minutes walk to reach the Vidy beach, where you can relax by the water, have a picnic, or take a stroll along the lakeside promenade. There are also volleyball and basketball well-maintained pitches in Vidy. 20 minutes walking from Vidy (from the EPFL campus 50 minutes or 25/30 by public transport), there is the *Jetée de la Compagnie*, a pier extending into the Lake Lemman where you can have an apéro while enjoying stunning views of the lake, mountains, and Lausanne's shoreline. Don't forget your swimming suit!
3. **Lausanne Center:** to reach the center of Lausanne, take the M1 Metro from *EPFL* to *Lausanne, Flon* metro station. From there you can walk or take the M2 Metro to visit the iconic Lausanne Cathedral located in the city center and enjoy panoramic views of the city. The M2 metro connects the center to the Ouchy neighborhood with its beautiful promenade. Our suggestions are: *Inglewood* (burgers), *Kung Fu* (chinese), *Le Lévant* (lebanese), *Pinte Besson* (swiss), *Leonardo* (pizza), *Ausonia* (pizza), *Mami Pizza* (pizza) *Nandanam* (indian), *Umamido* (ramen), *Le Lacustre* (apéro, by the lake). In particular, there are many hikes and walks (of various lengths and difficulties) connecting the towns of Lutry, St. Saphorin and Vevey (all reachable by train from Lausanne Gare).
