

A guide to LA

1. From the metro stop EPFL

2. Follow the stairs until you reach an underway passage.

The underway passage

3. Take the stairs at the end of the passage.

4. Walk until you arrive at the main square of the EPFL (Esplanade)

Espalande

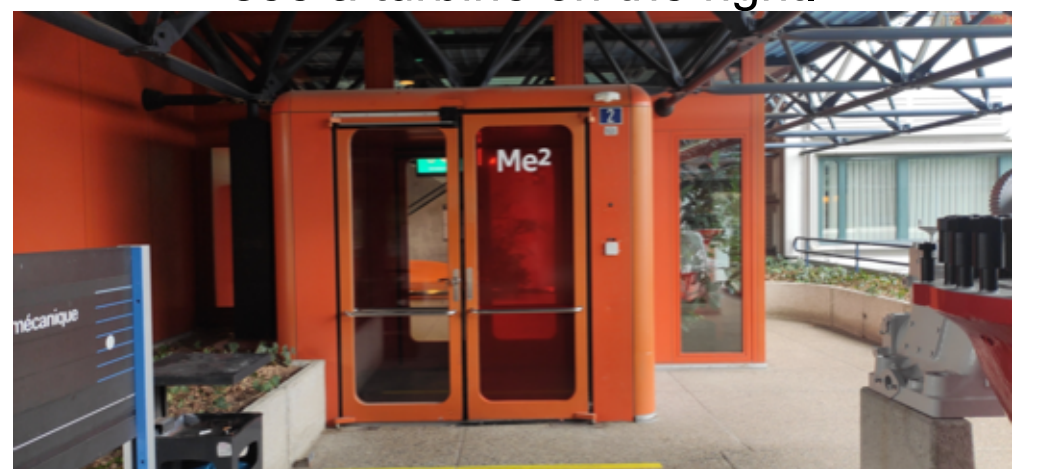

5. While looking at the lake, you see open-air stairs going up to the left.

6. Take the stairs and go straight until you see a turbine on the right.

The turbine

7. On the left of the turbine is the entrance of the ME (Mechanical Engineering) building.

8. Enter the building and on the right-hand side, you will find LA (ME C).

P.S. There is also an info point in the esplanade for visitors that you can ask.
