

the Analytical Scientist

Upfront

Waiter, waiter! There are drugs in my fish soup

14**Feature**

How to turn the new psychoactive substance tide

34 – 43**Solutions**

Solving analytical problems for humanity

44 – 48**Sitting Down With**

Data tsunami defying
Lutgarde Buydens

50 – 51

Rise of the Raman Enhancers

Gurus of Raman spectroscopy discuss the finer points of surface enhancement – and predict a light-filled future for the field.

24 – 32
