

Haroula Baliaka

- **B.Sc.:** Department of Chemical Engineering, University of Patras, Greece (2015 – present)
- **Diploma Thesis:** Measurement of Reactive Oxygen Species (ROS) on ambient and laboratory particulate matter, using a semi-automated dithiothreitol (DTT) system.

- Research Interests:**
- Air Pollution
 - Reactive Oxygen Species
 - Biomass Burning
 - Environmental Health

Institute of Chemical Engineering Sciences, Patras, Greece (2019 - present)
