

Kalliopi Florou

Education:

- Post-Doc Researcher: Institute of Chemical Engineering Sciences, Patras, Greece
- Ph.D.: Chemical Engineering, University of Patras, 2018
- M. S.: Chemical Engineering, University of Patras, 2014
- Diploma in Chemical Engineering, University of Patras, 2010.

Research Interests:

- Ambient aerosol field measurements
- Organic Aerosol (OA) chemical characterization: natural and anthropogenic sources and physical-chemical properties
- Biomass burning emissions: characterization and aging processes.
