

# David Patoulas

## Education:

- Post-Doc Researcher: - Institute of Chemical Engineering Sciences, Patras, Greece (2017 - present)
- Ph.D. - Chemical Engineering, University of Patras, 2017
- M. S. - Chemical Engineering, University of Patras, 2013
- Diploma in Chemical Engineering, University of Patras, 2010

## Research Interests:

- Aerosol microphysics
- Aerosol-cloud interactions
- New-particle formation and growth
- Regional modeling of aerosols
