

PETRO URUCI

EDUCATION

- PhD, Chemical Engineering Department, University of Patras, Greece, advisor: Prof. Spyros Pandis , March 2019-present
- MSc, Chemical Engineering Department, University of Patras, Greece, advisor: Prof. Spyros Pandis, January 2018
- Diploma, Chemical Engineering Department, University of Patras, Greece, September 2015

Research Interests

- Development of Photochemical Box Models
- Tropospheric Chemistry and Atmospheric Processes
- Parametrization of SOA Mass Yields
- Lagrangian and Eulerian Regional Modeling of Aerosols
- Health Effects of PM
- Air Pollution
