

## Curriculum Vitae - Nicolai Cramer

Laboratory of Asymmetric Catalysis and Synthesis, ISIC, SB, EPF Lausanne  
BCH 4305, CH-1015 Lausanne, Switzerland  
Phone: +41 21 693 9839 • Fax: +41 21 693 9700 • nicolai.cramer@epfl.ch

### Education:

2011 *Venia Legendi* for Organic Chemistry, ETH Zurich, Switzerland  
2005 PhD *summa cum laude*, University of Stuttgart, Germany, Prof. S. Laschat  
2003 'Diplom' *summa cum laude*, University of Stuttgart, Germany, Prof. S. Laschat  
1998–2002 Chemistry studies, University of Stuttgart, Germany

### Professional Experience:

Since 10/2015 Full Professor EPF Lausanne, Switzerland.  
2013–2015 Associate Professor EPF Lausanne, Switzerland.  
2010–2013 Assistant Professor EPF Lausanne, Switzerland.  
2007–2010 Habilitation at the ETH Zurich, Switzerland, Prof. E. M. Carreira  
2006–2007 Postdoctoral research, Stanford University, USA, Prof. B. M. Trost  
3/2005–6/2005 Research, Osaka University, Japan, Profs. M. Murata and S. Hase  
3/2001–9/2001 Research, CPE Lyon, France, Prof. M. A. Ciufolini

### Awards and Fellowships:

2016 Organic Reaction Lectureship  
2015 SNF-Backup ERC Consolidator Grant  
2013 Novartis Early Career Award in Organic Chemistry  
2013 Marcial Moreno Prize, Spanish Royal Chemical Society (RSEQ-CAT)  
2013 University Latsis Prize from Latsis Foundation  
2013 BASF Catalysis Award  
2013 Boehringer Ingelheim Lecturer, University of Toronto  
2011 Werner Prize of the Swiss Chemical Society  
2010 ERC-Starting Grant  
2010 Bayer Early Excellence in Science Award  
2010 ORCHEM Preis für Nachwuchswissenschaftler  
2010 Gold Medal, EUChems Young Chemist Award  
2010 ADUC Habilitationspreis 2009  
2009 Thieme Chemistry Journals Award 2010  
2009 Winner of the Solvias-Ligand Contest 2009  
2009 OMCOS 15 Poster Award  
2009 EUChems Organic Division Young Investigator Workshop 2009  
2009 JSP Fellowship of the 44th Bürgenstock Conference  
2007 Liebig-Habilitations-Stipendium of the 'Fonds der Chemischen Industrie'  
2006 PhD-thesis Award of the 'Vereinigung der Freunde der Universität Stuttgart'  
2006 Bayer Postdoc Workshop, Groton, CT  
2006 Feodor Lynen fellowship from the Alexander von Humboldt foundation  
2005 Roche Symposium for Leading Chemists of the Next Decade  
2005 Fellowship of 21<sup>st</sup> Century Center of Excellence Program of Japan  
2005 DFG-GDCh-Japan fellow on occasion of the German Year in Japan  
2004 Artur-Fischer Price from the Artur-Fischer-Foundation  
2003 Fellowship of the 'Fonds der Chemischen Industrie' for doctoral students  
2001 Sokrates-Erasmus fellowship

### Affiliations:

German Chemical Society (GDCh)  
Swiss Chemical Society (SCS)  
Fellow of the Royal Society of Chemistry
