

## ENERGYPOLIS EDUCATION

17. 11. 2015, 09:00 - 16:30, ENERGYPOLIS Sion, 4<sup>th</sup> floor, Emosson meeting room

### Tube Fitting and Installation Safety Workshop

The Swagelok logo, written in a blue, cursive, handwritten-style font.

**Pierre GUILLAUME**

*ARBOR Fluidtec AG, Loonstrasse 10; CH-5443 Niederrohrdorf*

Learn the proper use, leak-tight installation and maintenance of Swagelok tube fittings. Correct installation is critical to run your fluid systems safely, efficiently and cost-effectively. This hands-on seminar is designed for engineers and installers.

In the morning, theoretical bases will be explained. Afternoon, a hands-on workshop with leak and resistance test will take place.

The workshop will be in English; the documents can be in French, German or English.

Price

280.- CHF per person.
