Miscellaneous

REMARKS

- A request must be filled and accepted before any new use of an equipment of LPAC.
- A specific training must be followed before using any of LPAC's equipment the first time.
- The booking of the machine is to be made only by the equipment responsible person.
- Equipment usage and staff fees are listed on the back of this document.
- Equipment usage costs at LPAC are not eligible for FNS project.
- Any unplanned change to the initial request should be notified as soon as possible.
- In case of cancellation or postponement less than 24 hours before the agreed time, a fixed fee of 100.- CHF will be charged.

GENERAL TERMS OF USE OF LPAC EQUIPEMENT¹

hereby certifies having received a laboratory safety training from EPFL and having followed a training session on LPAC equipment (or commits to following one), which she/he understood perfectly. He or she is fully aware that any eventual cost, resulting from damage related to the incorrect usage of the equipment or compliance with the conditions explained during training, will be charged to the requesting laboratory.
