

# PROB & PRST

## Details of the seminar

[EPFL](#) > [Faculté SB](#) > [IMA](#) > [PROB](#) & [PRST](#) > [Seminars](#) > Prof. Aidan W Sudbury -- Monday, 21st June  
English only

## Seminar of Probability and Stochastic Process

Monday, 21st June, from 11h15 to 12h00  
[MA A1 12](#), EPFL, Ecublens

**[Prof. Aidan W Sudbury](#)**

**Monash University**

## Random sequential adsorption on random trees

### Abstract:

A comparison is made between the occupation probabilities for sites on random and fixed trees. The blocking model and the dimer model will be considered.
