

Abstract Instructions for 18th International Workshop on Plasma Edge Theory in Fusion Devices

A. First^{a,*}, B. Second^b, and C. Third^{a,b}

^a*First Affiliation*

^b*Another Affiliation*

Please use this template to generate your abstract. The text font for the abstract should be Arial. The page size should be chosen as A4 size. All margins are 25mm. The text must be written in clear English.

The title should be in Arial, 12pt, boldface, centered. It is followed by one blank line (12pt). This is already included in the formatting of this text. Authors should be written in Arial 12pt, centered. The corresponding author should be marked with star (*). Please use lower case letters as superscripts following each name if more than one affiliation is required. The affiliation(s) appear in Arial, 12 pt, italic, centered. Please start with a new line for each affiliation. Optionally a line can be added with the e-mail address of the first /corresponding author in Arial, 10 pt, italic, centered. Leave one blank line (12pt) between the affiliations and the text body.

The body of the abstract should be typed in 10 pt Arial, left and right flush with single line spacing. If necessary, references [1] can be used [2,3]. The contact information of the corresponding author should appear in the last lines. The abstract must not exceed one page. Abstracts should be submitted through the form that can be found at <https://go.epfl.ch/pet21> in the PDF format. As the file name use the name of the corresponding author. You will be asked to indicate your preference of the type of the presentation (oral or poster) and the area of interest. The deadline for abstract submission is **1 May 2021**.
