

VISITOR FORM

This document concerns everyone who needs to enter the animal facilities of the EPFL Center of PhenoGenomics (CPG) for an occasional visit such as for example technical person from external companies, Research lab visitor or external person.

Sanitary questions:

- Do you have rodents or reptiles as pets at home? Yes No

If yes, please contact your CPG referee

- Did you visit another animal facility in the last 72h? Yes No

If yes, please contact your CPG referee

Access to the animal facility will be authorized only under the supervision of an accredited EPFL collaborator: CPG collaborator or host research lab member or SV workshop collaborator.

Handling of animals is strictly forbidden.

By signing this agreement, the visitor commits to strictly follow the procedures of the supervisor.
In any case of disrespect of the above-mentioned rules, access to the animal facility will be immediately denied.
