Thank you for having accepted to evaluate the work of one of our students.

This work must be evaluated taking into consideration in particular:
- the quality of the scientific and technical skills
- the quality of the methodology
- the quality of the precision and academic rigor
- the quality of the thesis (personal contribution, coherence, clarity of the text).

After the oral defense, you and the EPFL supervisor will be asked to complete the attached assessment form to decide on the grade. The grade will be on a scale of 1 to 6 calculated to the quarter point (fail: 1-3.5; passable: 4; good: 5; excellent: 5.5; outstanding: 6).

The original of the signed assessment form will be handed-in to the DH section after the oral defense by the EPFL supervisor of the project.

With our sincere thanks and best regards,
Section of Digital Humanities
