What is Infoscience?

Infoscience is the institutional repository of the École Polytechnique Fédérale de Lausanne (EPFL). Authors affiliated with EPFL may deposit and disseminate their academic publications, either Open Access or with a restricted access. As part of the EPFL Open Science strategy, Infoscience is freely accessible to every interested reader and allows viewing and downloading the fulltext resources of all Open Access publications stored in the database.

Choose an option below:

I authorize the publication of my Master Thesis project in Infoscience, the EPFL institutional archive and on the EPFL website:

- on the EPFL intranet only
- on the Internet, without Creatives Commons license
- on the Internet, under the following Creative Commons license (*see link #3 below*) :
 - CC BY [Attribution] **License recommended for a maximum dissemination**
 - CC BY-SA [Attribution - Share under the same conditions]
 - CC BY-ND [Attribution - No modifications]
 - CC BY-NC [Attribution - No commercial use]
 - CC BY-NC-SA [Attribution - No commercial use - Share under the same conditions]
 - CC BY-NC-ND [Attribution - No commercial use - No modifications]

I do not authorize the publication of my Master Thesis project file in Infoscience, the EPFL institutional archive.
