Innovation Policies for Grand & Global Challenges

Day 1: What is new in the new Grand Challenges?
Day 2: Innovation or technology - what really matters
Day 3: Tradeoffs between financial gains & social impact
Day 4: Involving society & citizens in the innovation process
Day 5: Embeddedness, discipline and public accountability
Day 6: Participant presentations, discussion and feedback

A 6-day Boot Camp for managers in international, governmental and non-governmental organisations, and national agencies, who need to develop policies for Grand Challenges.

Suerie Moon
