

An aerial photograph of the EPFL campus in Lausanne, Switzerland. The image shows the modern architecture of the university buildings, including the iconic blue and white 'Méca' building and the green 'Cité des Sciences' building. In the foreground, there is a large, circular, open-air amphitheater or plaza. The background features a panoramic view of the city of Lausanne and the surrounding Swiss Alps under a clear sky.

Mentoring program
MTE Class 2023

STUDENTS' PROFILES

Management, Technology & Entrepreneurship

Jeanne ALLOCIO

Orientation Master: Operations Management & Systems Modeling
Minor: Data science

Education background: BSc. Communication Systems, EPFL

Subjects, technical areas, sectors, or industries of interest

- **Data, IA, Machine learning**

Languages: French: Mother tongue | English: Advanced | Italian, Portuguese: Intermediate

Alfred ARNAUD

Orientation Master: Operations management & Systems Modeling
Minor: Microtechnique

Education background: BSc. Microengineering, EPFL

Subjects, technical areas, sectors or industries of interest

- **project management, biomedical technologies and the watch industry.**

Languages: French: Mother tongue | English: Fluent

Talha BALIN

Orientation Master: Strategy, innovation & entrepreneurship
Minor: Systems Engineering

Education background: BSc. Industrial Engineering, Sabanci University, Turkiye

Subjects, technical areas, sectors or industries of interest

- **Management Consulting, Strategy, Product, Growth, and Data Analytics and Insights roles**

Languages: Turkish: Mother tongue | English: Fluent | French: Basic | German: Basic

Sebastian Bélanger Villanueva

Orientation Master: Strategy, innovation & entrepreneurship
Minor: Technologies spatiales

Education background: B.Eng. in Aerospace Engineering,
 Polytechnique Montreal, Canada

Subjects, technical areas, sectors or industries of interest

- **Aerospace Engineering, Sustainable Energy Technologies, Strategy Consulting, Venture Capital**

Languages: French: Mother tongue | Spanish: Mother tongue | English: Fluent

Sophea BONNE

Orientation Master: Business analytics
Minor: Data science

Education background: BSc. Operations Research and Data Science,
 UC Berkeley, USA

Subjects, technical areas, sectors or industries of interest

- **Industries: Software, Airline/transport, marketplace**
- **Technical areas: data science, optimization.**

Languages: English: Mother tongue | French: Intermediate

Niccolo' BURZI

Orientation Master: Strategy, innovation & entrepreneurship
Minor: Systems Engineering

Education background: BSc, Management Engineering, Alma Mater Studiorum – University of Bologna (UNIBO), Italy, including a Semester abroad at Instituto Tecnológico de Buenos Aires (ITBA), Argentina.

Subjects, technical areas, sectors or industries of interest

- **Logistics, Supply chain, Production management.**

Languages: Italian: Mother tongue | English: Advanced | Spanish: Intermediate.

Gaston CHAMPAGNE

Orientation Master: Business analytics
Minor: Physique

Education background: BSc Maths, Physics and Engineering at ISAE-Supaero, Toulouse, France

Subjects, technical areas, sectors or industries of interest

- **Space, nuclear energy harnessing, military projects, cutting-edge technology and innovations**

Languages: French: Mother tongue | English: Fluent | Italian, German: Basic

Anna CHANTEUX

Orientation Master: Operations management & Systems Modeling
Minor: Génie mécanique

Education background: Msc. Engineering, CentraleSupélec (Programme Grande École), France

Subjects, technical areas, sectors or industries of interest

- **Supply Chain and Project Management**

Languages: French: Mother tongue | English : Fluent | German : Basic

Joshua Cohen-Dumani

Orientation Master: Business analytics
Minor: Microtechnique

Education background: BSc. Microengineering, EPFL

Subjects, technical areas, sectors or industries of interest

- **Blockchain technology, AI, Finance, Space technologies, Startups, and the startup ecosystem (CH & US)**

Languages: English: Mother tongue | French: Mother tongue | German: Intermediate

Ehsan DADASHZADEH

Orientation Master: Strategy, innovation & entrepreneurship
Minor: Ingénierie des Sciences du Vivant

Education background: MS, Electrical Engineering (Major in Communication System), University of Tehran, Iran

Subjects, technical areas, sectors or industries of interest

- **Product and R&D management, product development, technology commercialization, and business models around genetic-based technologies, Communication systems, and R&D background in the space industry.**

Languages: Persian: Mother tongue | Azerbaijani: Mother tongue | English: Fluent | Turkish: Intermediate

Erwann DE BELLOY

Orientation Master: Business analytics
Minor: Systems Engineering

Education background: M1 in Applied mathematics, Ecole Polytechnique - X, France

Subjects, technical areas, sectors or industries of interest

- **Sports industry , Energy sector**

Languages: French: Mother tongue | English: Fluent | Spanish: Intermediate | Portuguese: Basic

Victoria DESTRAS

Orientation Master: Operations management & Systems Modeling
Minor: Génie mécanique

Education background: BSc. Mechanical Engineering, EPFL

Subjects, technical areas, sectors or industries of interest

- **Luxury industry (watchmaking, jewelry, fashion), Sustainable operations, green technologies /innovations, Sustainable Operations, Consulting**

Languages: French: Mother tongue | English: Fluent | German: Basic

Yann DEVANCE

Orientation Master: Business analytics
Minor: Génie mécanique

Education background: BSc. in Mechanical Engineering, EPFL

Subjects, technical areas, sectors or industries of interest

- **Private equity, Venture capital, Risk analysis, Portfolio management (investment)**

Languages: French : mother tongue | English and Italian : Professional Working Proficiency

Kim Daniel FINELL

Orientation Master: Strategy, innovation & entrepreneurship
Minor: Microtechnique

Education background: BSc. Microengineering, EPFL

Subjects, technical areas, sectors or industries of interest

- **Entrepreneurship, consulting.**

Languages: French: Mother Tongue | English: Fluent | Finnish: Fluent

Maria Isabella GARDI

Orientation Master: Strategy, innovation & entrepreneurship
Minor: Systems Engineering

Education background: BSc. Management Engineering, Alma Mater Studiorum – Università di Bologna, Italy

Subjects, technical areas, sectors, or industries of interest

- **Strategy consulting, Sustainability, Project management, Research and innovation, and Supply chain management**

Languages: Italian: Mother tongue | English: Advanced | French: Intermediate

Emma GENOVA

Orientation Master: Business analytics
Minor: Physique

Education background: Bsc. in Physics, EPFL

Subjects, technical areas, sectors or industries of interest
• **Health innovation industries**

Languages: Italian: Native | French: Fluent | English: Proficient | Portuguese: Proficient

Amir GHALI

Orientation Master: Operations management & Systems Modeling
Minor: Systèmes de communication

Education background: Masters Degree in Data Science, EPFL

Subjects, technical areas, sectors, or industries of interest
• **AI, Machine Learning, Consulting, management**

Languages: French: Fluent | English: Fluent | Arabic: Fluent | German: B1

Xinyi HAN

Orientation Master: Strategy, innovation & entrepreneurship
Minor: Systems Engineering

Education background: Bachelor of Arts. Economics & Mathematics, Boston University, USA

Subjects, technical areas, sectors or industries of interest
• **Finance**

Languages: Chinese mandarin: Mother tongue | English: Fluent | French: Proficient

Raphael HELLMANN

Orientation Master: Business analytics
Minor: Génie mécanique

Education background: BSc. Engineering Sciences, Technical University of Berlin, Germany

Subjects, technical areas, sectors or industries of interest

- Sustainable transportation, energy sector, data analysis, Machine Learning

Languages: German: Mother tongue | English: Fluent | French: Fluent

Leopold HENRY

Orientation Master: Business analytics
Minor: Ingénierie des Sciences du Vivant

Education background: BSc in Life Sciences Engineering, EPFL

Subjects, technical areas, sectors, or industries of interest

- Pharmaceutical industry, financial industry, medical engineering

Languages: French: Mother Tongue | English: Advanced

Gaétan KAOUADJI

Orientation Master: Operations management & Systems Modeling
Minor: Physique

Education background: Bsc, Physics, EPFL

Subjects, technical areas, sectors or industries of interest

- Science, Sustainability

Languages: French: Mother tongue | English: Fluent | Spanish: intermediate

Sven MAHON

Orientation Master: Strategy, innovation & entrepreneurship
Minor: Science et génie des matériaux

Education background: Bsc. Materials Science, EPFL

Subjects, technical areas, sectors, or industries of interest

- Materials science, High-performance materials, sports, Ecology

Languages: French: Mother tongue | English: Advanced | German: Basic

Charlotte MANTILERI

Orientation Master: Operations management & Systems Modeling
Minor: Microtechnique

Education background: Bsc. Microengineering, EPFL

Subjects, technical areas, sectors or industries of interest

- Supply chain, Operations management

Languages: French: Mother tongue | English: Fluent | Spanish: Fluent

Fikret Emre OCAL

Orientation Master: Strategy, innovation & entrepreneurship
Minor: Génie mécanique

Education background: Bsc. Mechanical Engineering, Bilkent University, Turkey

Subjects, technical areas, sectors, or industries of interest

- Weapon industry (Missiles), NFT, watches; strategy consulting, Entrepreneurship, green finance, green-tech, renewable energy technologies

Languages: Turkish: mother tongue | English: Fluent

William OH

Orientation Master: Business analytics

Minor: Energie

Education background: Bsc. Microengineering, EPFL

Subjects, technical areas, sectors or industries of interest

- Team management, Sales, negotiations, event management

Languages: French : Mother tongue | English : Fluent | Spanish : Fluent |

German : Basic

Elior PAPIERNIK

Orientation Master: Operations Management & Systems Modeling

Minor: Informatique

Education background: Bsc. Computer Science, EPFL, Switzerland

Subjects, technical areas, sectors, or industries of interest

- logistics, optimization, process improvement

Languages: French: Mother tongue | English: Fluent | Spanish: Basic

Charlotte PETERS

Orientation Master: Operations management & Systems Modeling

Minor: Ingénierie des Sciences du Vivant

Education background: Bsc. Life sciences engineering at EPFL | exchange in 3rd year at Ecole Polytechnique, France.

Subjects, technical areas, sectors or industries of interest

- health industry and more precisely the biotech enterprises

Languages: French: Mother tongue | English: Fluent

Grégoire PEUDEVIN

Orientation Master: Operations Management & Systems Modeling
Minor: Systems Engineering

Education background: French CPGE + Bachelor in industrial engineering Grenoble INP France

Subjects, technical areas, sectors, or industries of interest

- Supply chain or production management

Languages: French: Mother tongue | English: Advanced | German: Basic

Maxime POUPET

Orientation Master: Business analytics

Minor: Energie

Education background: Master Engineering, CentraleSupélec (Programme grande école), Paris, France

Subjects, technical areas, sectors or industries of interest

- Finance, Energy, Energy trading, and Consulting

Languages: French: Mother tongue | English: Fluent | German: Advanced | Romanian: Intermediate

Yara SABBAGHA

Orientation Master: Business analytics

Minor: Microtechnique

Education background: Bs. MicroEngineering, EPFL, Switzerland

Subjects, technical areas, sectors, or industries of interest

- Luxury industry, Project management, data analysis, consulting

Languages: French: Mother tongue | Arabic: Mother tongue| English: Fluent

Irem Şekeroğlu

Orientation Master: Strategy, innovation & entrepreneurship
Minor: Systems Engineering

Education background: Master Engineering, CentraleSupélec (Programme grande école), Paris, France

Subjects, technical areas, sectors or industries of interest

- **Data-related subjects (analyzing, visualising etc) , design, and automation.**

Languages: Turkish: Mother Tongue | English: Proficient

Mahmoud SELLAMI

Orientation Master: Operations management & Systems Modeling
Minor: Informatique

Education background: Bsc. Communication Systems, EPFL

Subjects, technical areas, sectors, or industries of interest

- **Financial Management and Planning, Product Analysis and Consumer Research, Entrepreneurship and Business Development**

Languages: French: Mother tongue | English: Fluent | Arabic: Mother tongue | German: Intermediate

Eugenio SERAFINO

Orientation Master: Strategy, innovation & entrepreneurship
Minor: Systems Engineering

Education background: Bsc in Management and Production Engineering ad Politecnico di Milano, Italy

Subjects, technical areas, sectors or industries of interest

- **Project Management, Consultancy, Data Analysis**

Languages: Italian: Mother tongue | English: Fluent | Spanish: Advanced

Heling SHI

Orientation Master: Business analytics
Minor: Systems Engineering

Education background: Bsc. Vehicle Engineering(Electronic Information), Tsinghua University, China

Subjects, technical areas, sectors, or industries of interest
• **Automotive manufacturing, Energy**

Languages: Chinese: Mother tongue | English: Fluent

Irène VINCENT

Orientation Master: Operations management & Systems Modeling
Minor: Mathématiques

Education background: Bsc. Mathematics, EPFL, Switzerland

Subjects, technical areas, sectors, or industries of interest
• **I'm interested in any industry that aims to work for the greater good, I wish to work in a field where there is a meaning behind the activity.**

Languages: French : Mother Tongue | English : Fluent | Spanish : Basic

Léo Wolff

Orientation Master: Strategy, innovation & entrepreneurship
Minor: Informatique

Education background: Bsc. Computer Science, EPFL, Switzerland

Subjects, technical areas, sectors or industries of interest
• **Computer Science, Designing Tools for Learning**

Languages: French: Mother tongue | English: Fluent

Nico WYSS

Orientation Master: Strategy, innovation & entrepreneurship

Minor: Génie civil

Education background: BSc. Civil Engineering, EPFL, Switzerland
(exchange year at NTNU, Norway in 2022-2023)

Subjects, technical areas, sectors, or industries of interest

- **Civil Engineering, Transport and Mobility, Economics and Finances, Programming and machine learning**

Languages: German: Mother tongue | English: Fluent | French: Advanced
