6. Agreement :

All parties involved in this project, students and supervisors, have agreed on the objectives of the design project described above. The students and the supervisors are committed to carrying out the project with regular contact by phone, e-mail and meetings. A budget for the various costs of the project (travel, consumables, other) will be established and submitted to the section in week 2 (before Friday, March 3, 2023). The section will then determine how much of these costs they can cover.
