

The background of the slide is an aerial photograph of the EPFL campus. It shows various buildings, including a large modern building with a curved roof and colorful vertical panels, and older buildings with solar panels on their roofs. The campus is situated near a large body of water (Lake Geneva) and mountains in the distance under a dramatic, cloudy sky.

Design Project 2026

Miriam Petrilli

EPFL

02.12.2025

1h Presentation and Q&A session

Date: TBD

Searching, evaluating and using information

- **BEAST, databases and other tools** to search for:
 - Books and eBooks
 - Journals, magazines
 - Scientific articles and conference papers
 - Standards, patents...
- **BEAST** the library catalogue and the swisscovery network:
 - go.epfl.ch/beast
- **Collections :**
 - <https://www.epfl.ch/campus/library/collections/>
- Searching with **AI**

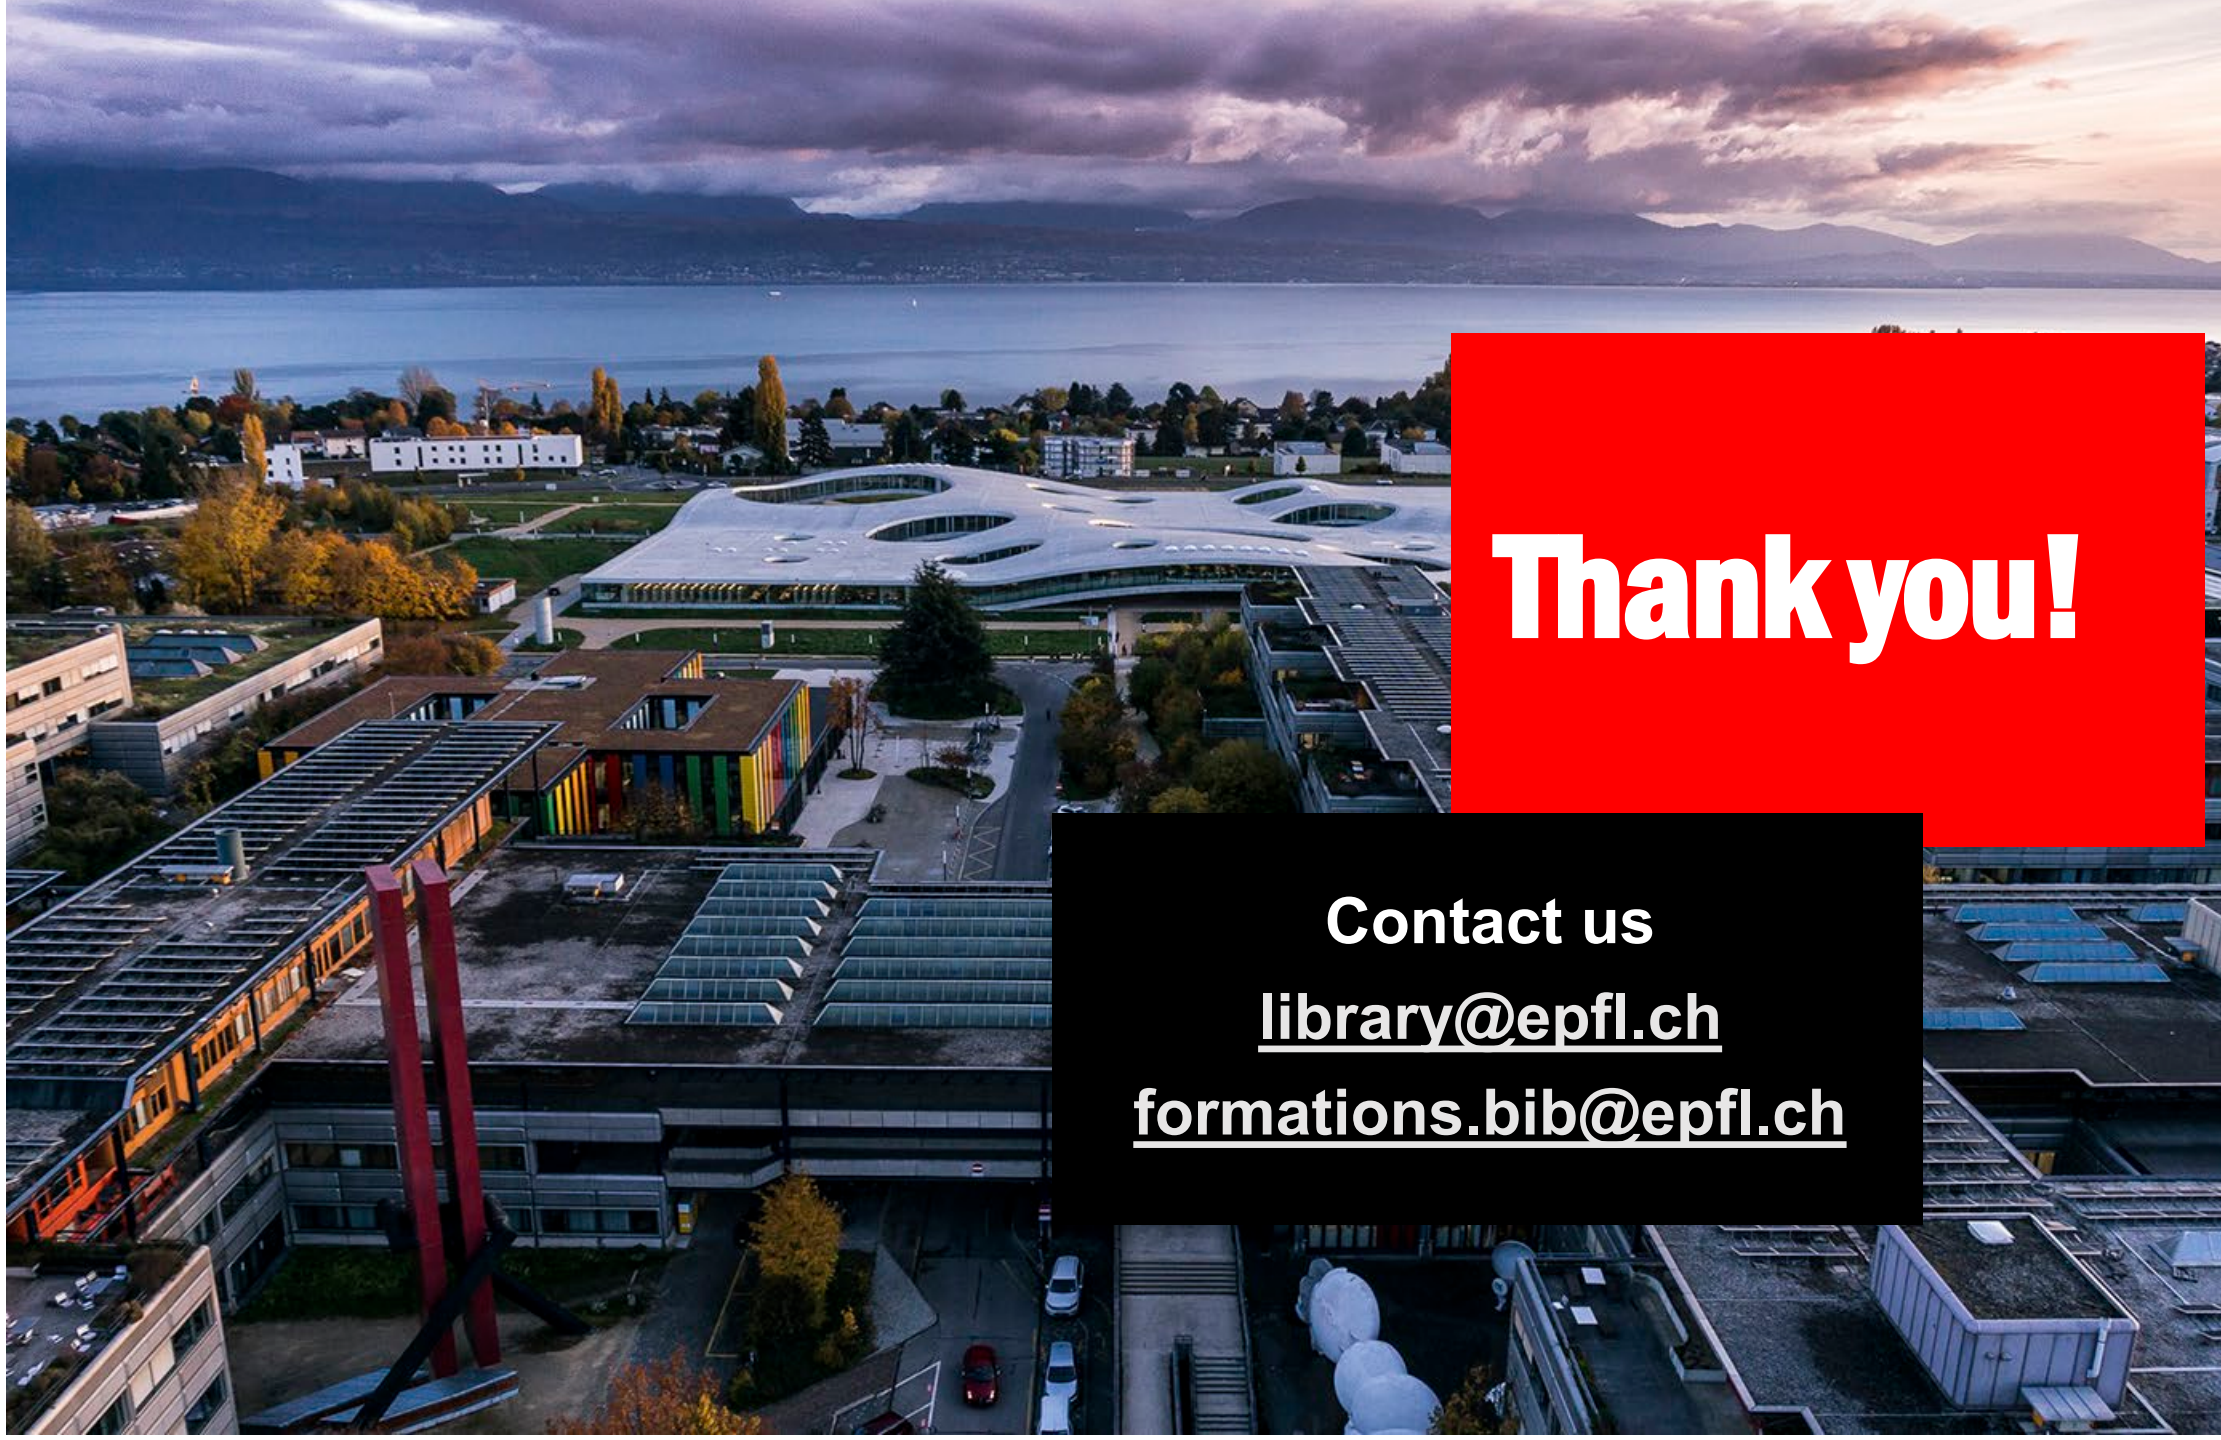

Citing sources

- Why is citing important ?
- How to avoid plagiarism ?
- Citing with Zotero
 - Collect references and metadata from various sources
 - Cite literature and create bibliographies
 - Choose a citation style
 - Available for Overleaf/LaTeX

<https://www.zotero.org/>

- **Training:**
 - <https://go.epfl.ch/library-training>
- **Services for students:**
 - <https://go.epfl.ch/library-students>
- **Our website** (on campus or via [VPN](#)):
 - go.epfl.ch/library
