

To professors, head of research groups, postdocs and Ph.D students in CH Organic and Inorganic institutes

Dear all,

The Swiss Chemical Society awards the 2012 Werner Prize to [Prof. Nicolai Cramer, EPFL](#) for his pioneering studies in metal catalyzed C-C and C-H activation reactions and their applications in organic synthesis.

The award ceremony followed by a 30min lecture of Prof. Cramer takes place in Geneva, Uni Mail, on February 16, 2012 at 11:45.

It would be our pleasure to welcome you all at the ceremony and Prof. Cramer's lecture

Kind regards
Swiss Chemical Society

Prof. E. Peter Kündig
President
