

ISIC Master Grant

The ISIC Direction proposes a grant – ISIC Master Grant - addressed to external Master students who intend to join an ISIC research unit in the frame of their Master thesis.

This program increases excellence within the Institute favouring scientific collaboration and helps evaluating future PhD students' potential.

The Institute supports - with 1'600 CHF per month - one exchange Master student per unit for up to 6 months per academic year.

Application procedure

Submission deadlines:

- Applications for Q1 and Q2 to be received before 1st September previous year.
- Applications for Q3 and Q4 to be received before 1st March same year.

The Head of the Research Unit or the Administrator submits the application file to ISIC direction via: secretariat.isic@epfl.ch containing:

- Master student updated CV (showing enrollment at an academic institution outside EPFL)
- Copy of official Bachelor and Master grades records
- 1 page summary of the project the student will be conducting in the unit.
- Enrollment dates in the Research Unit to complete the Master thesis.

The ISIC direction will review the application and provide an answer within 3 weeks after the submission deadline to the PI and unit Administrator. Positive answers are provisional. Grants will only be awarded upon exchange student enrollment at EPFL -3 months before the starting date of the project- by filling any of the below:
