

Request form for temporary use of additional infrastructure beyond unit's regular space allocation

Please fill in this form for any request on use of additional infrastructure (lab surfaces, office/desk space, benches, equipment, etc). It should be addressed to laurence.winkel@epfl.ch

Request by (Professor, group leader):

Laboratory/unit:

Date of request:

A. What type of specific infrastructure do you request (please specify technical requirements, safety issues, etc)?

B. Is this request linked to a specific project or allocated grant?

C. Why is it not possible within your currently available infrastructures?

D. Is there a specific surface on the SV premises you would propose for your need?

E. What would be the time frame of your temporary occupation of the infrastructure?

Start:

End:

F. How do you foresee to manage your project after the end date of this temporary use, when you will need to reduce your activities to the lab's regular infrastructure allocation?

Click the button here to send the form directly by email:

**Agreement for temporary use of additional SV infrastructure**

_____, head of laboratory _____, and Andrew Oates, Dean SV, agree on the temporary attribution of the infrastructure under the conditions described below. It is well understood by both parties that this allocation is limited in time. It is _____'s responsibility at the end date of the current temporary allocation to manage the needs of his/her laboratory within the regular infrastructure allocation of the unit.

I. Description of temporarily allocated infrastructure:**II. Special conditions on the use of the infrastructure (if applicable):****III. Period of allocation:**Start date: End date: Lausanne, date *Signatures:*Prof/Dr: Prof. Andrew Oates Unit:
